BILL NO. 020409

Introduced June 6, 2002

Councilmember DiCicco

**Referred to the
Committee on Streets and Services**

AN ORDINANCE

Authorizing the striking from City Plan No. 238 and abandoning of a certain right-of-way for drainage purposes within the lines of former Clymer street extending from Front street to the Delaware Expressway (I-95), under certain terms and conditions.

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:

SECTION 1. Pursuant to Section 11-403 of The Philadelphia Code, the Board of Surveyors of the Department of Streets is authorized to strike from City Plan No. 238 and abandon a certain right-of-way for drainage purposes within the lines of former Clymer street extending from Front street to the Delaware Expressway (I-95).

SECTION 2. This authorization is conditional upon compliance with the following requirements within one (1) year from the date this Ordinance becomes law:

(a) The filing of an agreement, satisfactory to the Law Department, by the owner or owners of property affected thereby, to release the City from all damages or claims for damages which may arise by reason of the City Plan changes authorized herein; in lieu thereof, only after the party in interest has demonstrated best efforts to obtain such agreements and such efforts are unsuccessful, the party in interest shall file an agreement and bond with corporate surety, satisfactory to the Law Department, to indemnify the City as aforesaid.

(b) The filing of an agreement, satisfactory to the Law Department, by the party in interest, to release, indemnify and defend the City from all damages or claims for damages, which may arise by reason of the City Plan changes authorized herein.

(c) The filing of an agreement by the party in interest satisfactory to the Law Department to make any and all changes and adjustments to curbing, sidewalk paving,

City of Philadelphia

BILL NO. 020409 continued

cartway paving, water pipe, fire hydrants, sewers, inlets and manholes, street light poles and equipment, as well as to any other City structures, either overhead, underground or upon the surface, including the relocation, abandonment, repairing, reconstruction, cutting and sealing of such structures and facilities as may be necessitated in the judgment of the Department of Streets and Water Department by the City Plan changes authorized herein. The agreement shall provide for the removal of all existing City owned street lighting poles and equipment and their delivery to the storage yard of the Street Lighting Division at 701 Ramona avenue at no cost to the City. The agreement shall also provide for the removal of salvageable hydrants, valves, manhole covers, frames and connections, as determined by the Water Department, and it shall provide for their delivery to the storage yard of the Water Department located at Twenty-ninth street and Cambria street at no cost to the City. The agreement shall also provide for the removal of salvageable cast iron manholes and covers, street inlet grates, frames and hoods and inlet castings, as determined by the Water Department, and it shall provide for their delivery to the storage yard of the Water Department located at 3201 Fox street at no cost to the City. The agreement shall provide that this work be completed within one (1) year from the date of confirmation by the Board of Surveyors on the City Plan changes authorized by this Ordinance.

(d) The filing of a bond, with corporate surety, satisfactory to the Law Department, to cover the cost of work required under Section 2(c).

(e) The payment by the party in interest of the cost of advertising the public hearing by the Board of Surveyors on the City Plan changes authorized by this Ordinance.

SECTION 3. This Ordinance shall not become effective unless the sum of two hundred dollars (\$200.00), toward costs thereof, is paid into the City Treasury within sixty (60) days after this Ordinance becomes law.
