2 COUNCIL PRESIDENT CLARKE: Good  
3 morning.

4 (Good morning.)

5 COUNCIL PRESIDENT CLARKE: We  
6 have a quorum. We're going to get  
7 started now. I'd ask for the guests and  
8 visitors to retire behind the rail, and  
9 as our members take their seats, we will  
10 get started.

11 To give our invocation this  
12 morning, the Chair recognizes Reverend  
13 David Pearson of North American Mission  
14 Board. He is here today as the guest of  
15 Councilman Greenlee.

16 I would ask all guests and  
17 visitors and members to please rise.

18 (Councilmembers and guests  
19 rise.)

20 REVEREND PEARSON: Let us pray.

21 God, I thank you for the  
22 opportunity today to pray for our great  
23 city. I pray for our Mayor, our  
24 Councilmen and our Councilwomen as they  
25 govern our city. Please give them

2           wisdom, discernment, and guidance as they  
3           carry the weight of making decisions and  
4           leading our city.

5                     Jesus, I pray for our police  
6           officers and emergency workers. Protect  
7           them as they serve and protect  
8           Philadelphia. Give them wisdom,  
9           compassion, safety, as they are often on  
10          the front lines of dangerous situations.

11                    Jesus, I pray for our schools,  
12          the principals, teachers, and staff as  
13          they teach and train our children. Help  
14          our schools to be a safe place for our  
15          children to grow and mature.

16                    Jesus, I pray for our  
17          businesses and their owners. Please  
18          bless their businesses to grow and to  
19          help our city's finances and economy.

20                    Jesus, I pray for our families.  
21          I believe the families are the foundation  
22          of society, and may we see our families  
23          and marriages strengthened.

24                    I pray for the divisiveness  
25          that sometimes arises among the

2           communities, races, and ethnic groups.  
3           May we experience the unity of the spirit  
4           that can come only from you. Help us to  
5           see each other as brothers and sisters  
6           striving to better our city instead of  
7           focusing on our differences.

8                        God, I thank you that you love  
9           this city even more than we do, and that  
10          you love this city so much that you sent  
11          your son, Jesus, to die for the people of  
12          Philadelphia so that they could know you.  
13          I'm reminded of the story of Benjamin  
14          Franklin saying that he could walk up and  
15          down the streets of Philadelphia and hear  
16          the praises of God coming out of the  
17          doors and windows and the homes of  
18          Philadelphia. May we return to knowing  
19          you and knowing your love and living in a  
20          way that demonstrates the love of Jesus  
21          to those around us. May we not just call  
22          ourselves the City of Brotherly Love, but  
23          may we live and demonstrate that love to  
24          each other.

25                        God, I close by echoing the

2 words of William Penn that are on a  
3 plaque in this very building when he  
4 prayed for Philadelphia many years ago  
5 and he said, I pray that you will keep us  
6 from evil that could overwhelm us. My  
7 sole praise to you, God, for  
8 Philadelphia, that we may stand in the  
9 days of trial. I pray for our children  
10 to be blessed by you and that people may  
11 be saved by your power.

12 I pray this all in Jesus' name.

13 Amen.

14 (Amen.)

15 COUNCIL PRESIDENT CLARKE:

16 Thank you so much, Reverend.

17 Council will be at ease.

18 (Council at ease.)

19 COUNCIL PRESIDENT CLARKE:

20 Thank you all very much.

21 And, Reverend, thank you for  
22 those very inspiring words.

23 The next order of business is  
24 the approval of the Journal of the  
25 meeting of Thursday, February 11, 2016,

2           and the Chair recognizes Councilman  
3           Greenlee.

4                   COUNCILMAN GREENLEE: Thank  
5           you, Mr. President. I move that the  
6           Journal of the meeting of Thursday,  
7           February 11th, 2016 be approved.

8                   (Duly seconded.)

9                   COUNCIL PRESIDENT CLARKE:  
10          Thank you. It has been moved and  
11          properly seconded that the Journal of the  
12          meeting of Thursday, February 11, 2016  
13          stand approved.

14                   All those in favor say aye.

15                   (Aye.)

16                   COUNCIL PRESIDENT CLARKE:

17          Those opposed?

18                   (No response.)

19                   COUNCIL PRESIDENT CLARKE: The  
20          ayes have it, and the Journal is  
21          approved.

22                   The next order of business is  
23          requests for leaves of absence, and the  
24          Chair recognizes Councilman Henon.

25                   COUNCILMAN HENON: Thank you,

2           Mr. President. On behalf of the  
3           majority, there are no requests for leave  
4           of absence today.

5                   COUNCIL PRESIDENT CLARKE: The  
6           Chair thanks the gentleman.

7                   And now the Chair recognizes  
8           Councilman O'Neill.

9                   COUNCILMAN O'NEILL: Thank you,  
10          Mr. President. On behalf of the  
11          republicans, there are no requests for  
12          leave of absence.

13                  COUNCIL PRESIDENT CLARKE: The  
14          Chair thanks the gentleman.

15                  At this time, I would like to  
16          welcome everyone who has taken time out  
17          of their busy day to come down and  
18          witness their government in action. We  
19          hope that you truly enjoy yourself. This  
20          is a special type of environment where  
21          you actually get to be close and personal  
22          with your elected officials, unlike any  
23          other legislative body. So I want to  
24          thank you. We hope you enjoy yourself so  
25          much that you come back again.

2                   And before I conclude and move  
3           on, I would like to ask if anyone has an  
4           electronic device, phone or any other,  
5           would you please turn it on silent or  
6           airplane mode or whatever you have to  
7           turn it on to make sure that it doesn't  
8           make any noise during our session. Thank  
9           you so much.

10                   At this time, the Chair  
11           recognizes Councilman Johnson, who will  
12           present a resolution recognizing the  
13           Honorable Marjorie Rendell. Would Judge  
14           Rendell and those accompanying her please  
15           join the Councilman at the podium.

16                   (Councilmembers and guests  
17           approached podium.)

18                   COUNCIL PRESIDENT CLARKE: And  
19           joining Councilman Johnson, we have  
20           Councilwoman Quinones-Sanchez, Councilman  
21           Squilla, and Councilwoman Blackwell. We  
22           should probably bring the whole Council  
23           up here. Councilman Henon, Councilwoman  
24           Bass, and Councilwoman Parker.

25                   COUNCILMAN JOHNSON: Good

2 morning.

3                   (Good morning.)

4                   COUNCILMAN JOHNSON: I want to

5 also ask for the students from E.M.

6 Stanton to please come on the stage and

7 join us, please.

8                   (Students approached podium.)

9                   COUNCILMAN JOHNSON: Let's give

10 them a round of applause. This is our

11 future.

12                   (Applause.)

13                   COUNCILMAN JOHNSON: Just to

14 give some of you some background, these

15 young people who attend E.M. Stanton

16 School, which is a jewel, public school

17 jewel in the City of Philadelphia, these

18 young people participate in the Rendell

19 Center for Civics and Civic Engagement.

20 And so oftentimes when we debate in the

21 body of politic and how we conduct

22 ourselves, we should always be constantly

23 reminded that young people are watching

24 our actions.

25                   And so today I am truly honored

Stated Meeting Invocation  
February 18, 2016

Page 10

2           and privileged to have the opportunity to  
3           honor a young lady who in my eyes has  
4           done a considerable amount of great work  
5           within her own right, serving as the  
6           First Lady of the City of Philadelphia,  
7           serving as the First Lady of this  
8           Commonwealth of Pennsylvania, serving as  
9           a judge but, most importantly, a  
10          committed and compassionate public  
11          servant.

12                        Today it's a pleasure and honor  
13          with my colleagues to honor the Honorable  
14          Judge Marjorie Rendell.

15                        I want to start off by reading  
16          some remarks by our former Governor and  
17          Mayor, Ed Rendell, who couldn't be with  
18          us today, but I also recognize before I  
19          read the remarks that as a newly married  
20          gentleman, on the side of every man is an  
21          even stronger woman.

22                        (Applause.)

23                        COUNCILMAN JOHNSON: And so  
24          today the Honorable Rendell is here  
25          within her own right, and our former

Page 11

2           Governor and Mayor sends his remarks  
3           because he couldn't be here, but the  
4           remarks are written as: I am sorry I  
5           cannot be with you today as Council  
6           honors Judge Rendell and the Rendell  
7           Center for Civics and Civic Engagement.  
8           Unfortunately, I have to be up in New  
9           York for a board meeting. I did want to  
10          thank you and the Council for this  
11          resolution.

12                     Judge Rendell worked extremely  
13          hard in her role as First Lady of the  
14          Commonwealth to advance the cause of  
15          civics education. She worked very  
16          closely with the former Justice Sandra  
17          Day O'Connor on a nationwide program, We  
18          the Civics Kids. She started the  
19          PennCORD program to promote civics  
20          throughout our state.

21                     After leaving office, we both  
22          decided to start the Rendell Center as a  
23          means to continue this effort. Nothing  
24          is more important than getting our  
25          citizens involved in politics and

2           government, because the more people vote  
3           and participate, the less the special  
4           interest can control things.

5                       Thanks again for this wonderful  
6           resolution and for your support of the  
7           Judge and the Center's efforts.

8                       And that's on behalf of our  
9           former Mayor and Governor, Edward  
10          Rendell. But also what's special about  
11          this particular program is that it  
12          inspires our young people to go on to be  
13          great things. These young people you're  
14          seeing who are up here today that  
15          participate in the Rendell Civics and  
16          Engagement program will ultimately become  
17          our judges, our lawyers, the next Council  
18          President, the next Mayor, our State  
19          Senators, State Representatives, as well  
20          as those who will run for U.S. Congress  
21          and ultimately the President of our  
22          United States. So it's important to  
23          encourage our youth to engage in civics  
24          and politics, and I thank my colleagues  
25          for joining me in presenting this

2           resolution. And the resolution reads:

3                         Honoring and congratulating the  
4           Honorable Judge Marjorie Rendell for her  
5           contributions to the City of Philadelphia  
6           as a judge, a first lady, and an advocate  
7           for civics education.

8                         COUNCILWOMAN SANCHEZ: Whereas,  
9           the Honorable Judge Marjorie Rendell has  
10          been an active figure in the City of  
11          Philadelphia since she began her career  
12          at Duane Morris & Heckscher in -- I won't  
13          say -- that lasted quite a few years;

14                        COUNCILMAN HENON: Whereas, the  
15          Honorable Judge Rendell founded and  
16          chaired the Avenue of the Arts,  
17          Incorporated since 1993 to help the City  
18          of Philadelphia revitalize Broad Street;

19                        Whereas, the Honorable Judge  
20          Rendell has taken an active role in  
21          encouraging civic education among school  
22          students since she established the Penn  
23          Coalition of Representative Democracy, or  
24          PennCORD, in 2004, while still the First  
25          Lady of the Commonwealth of Pennsylvania;

2           and

3                       COUNCILWOMAN BASS: Whereas,  
4           since the Honorable Judge Rendell's  
5           establishment of PennCORD in 2004 and the  
6           subsequent creation of the Rendell Center  
7           for Civics and Civic Engagement in 2014,  
8           Judge Rendell has been working to  
9           reinvigorate civic education and civic  
10          engagement among the youth of  
11          Pennsylvania; and

12                      COUNCILWOMAN BLACKWELL:  
13          Whereas, the Honorable Judge Rendell's  
14          Center for Civics and Civic Engagement  
15          fosters active civic learning among the  
16          youth of Pennsylvania through the  
17          incorporation of civic knowledge, public  
18          action, and democratic deliberation; and

19                      Whereas, the Rendell Center is  
20          now even more effective in partnership  
21          with the Annenberg Public Policy Center,  
22          which has partnered with middle and high  
23          school students, in encouraging civic  
24          engagement in students K through 12 in  
25          the Philadelphia School District; and

2                   COUNCILMAN SQUILLA: Whereas,  
3           the Honorable Judge Rendell has moved to  
4           "senior status" in the Third District  
5           Court of Appeals, where she has held a  
6           seat since 1997, in order to spend more  
7           time focused on the Rendell Center for  
8           Civics and Civic Engagement; and

9                   Whereas, the Rendell Center  
10          coordinates such civic engagement events  
11          as the Citizenship Challenge where fourth  
12          and fifth grade students are asked to  
13          respond to a constitutional question and  
14          receive the opportunity to participate in  
15          a mayoral forum in May and October where  
16          the students were able to pose questions  
17          to the mayoral candidates about  
18          everything from police brutality to  
19          education; and

20                   COUNCILWOMAN PARKER: Whereas,  
21          the Honorable Judge Rendell's dedication  
22          to civics education and civic engagement  
23          has made a major impact on the youth of  
24          Philadelphia and continues to do so; now,  
25          therefore, be it

2                   COUNCILMAN JOHNSON: Resolved,  
3           that the Council of the City of  
4           Philadelphia hereby honors and  
5           congratulates the Honorable Marjorie  
6           Rendell for her contributions to the City  
7           of Philadelphia as a judge, a first lady,  
8           and an advocate for the civics education.

9                   And on behalf of the City of  
10          Philadelphia, members of City Council,  
11          we'd like to present you with this  
12          citation.

13                   (Applause.)

14                   COUNCIL PRESIDENT CLARKE: The  
15          Chair recognizes Judge Rendell for  
16          remarks.

17                   JUDGE RENDELL: As you all can  
18          probably imagine, I've spent a lot of  
19          time in this wonderful place called City  
20          Hall, but this has to be the best,  
21          because it speaks to my passion as a  
22          citizen working on Avenue of the Arts,  
23          which I had the pleasure of working with  
24          Council President Clarke for many years,  
25          Kimmel Center, my work as a judge, and

2           finally my work as a civics advocate.  
3           And the reason we have these wonderful  
4           youngsters here is because the Rendell  
5           Center -- and I have to give a plug for  
6           Ed Rendell and thank him for his remarks,  
7           but he really came up with the idea of  
8           starting the Rendell Center once we had  
9           left Harrisburg, and he has done a lot of  
10          work and fundraising, as I'm sure you can  
11          imagine, and he is on our board, and we  
12          really are co-chairs of that effort.

13                        But these youngsters are from  
14          E.M. Stanton School, a school that two  
15          years ago was slated to be discontinued  
16          and scrapped, and now we have a  
17          wonderful, vibrant school led by a  
18          fabulous principal, Stacey Burnley. And  
19          the Rendell Center has been working  
20          piloting with these youngsters to improve  
21          the level of civics education. We have  
22          mock trial and the Citizenship Challenge  
23          and We the Civics Kids, and I've come to  
24          know them and love them and their  
25          teacher, Joan Carter Williams, just one

2           of the teachers. Let's give her a great  
3           round of applause.

4                        (Applause.)

5                        JUDGE RENDELL: Our teacher is  
6           amazing, and these teachers have spent  
7           extra hours learning the curriculum and  
8           doing wonderful things, and we go on the  
9           road.

10                      Don't we, Joan?

11                      We go on the road to talk about  
12           civics education.

13                      And I have to thank Councilman  
14           Johnson for his efforts with E.M.  
15           Stanton. Through his efforts, we have a  
16           totally renovated cafeteria, a work space  
17           that is light and bright that brings the  
18           light in and energizes the kids and the  
19           parents and the whole community, and I  
20           have to thank him for doing this. Let's  
21           give him a round of applause.

22                      (Applause.)

23                      JUDGE RENDELL: Some other  
24           people here who are part of my life, I  
25           have brought my three law clerks so they

2           can see what I do in my copious free  
3           time, and my son, Jesse, who is here, who  
4           is involved in the community as well. In  
5           fact, everybody who came over to say  
6           hello to me knew Jesse more than probably  
7           they knew me. I'm very proud of him.

8                        So I want to thank you all very  
9           much. This has been a wonderful labor of  
10          love for me, and I continue to work  
11          towards the betterment of our city and  
12          our children.

13                       Thank you so much.

14                       (Applause.)

15                       COUNCIL PRESIDENT CLARKE:

16          Council will be at ease.

17                       JUDGE RENDELL: I also want to  
18          thank our Executive Director, Beth  
19          Specker, and our Curriculum Director,  
20          Anne Spector, who are here. So thank  
21          you.

22                       (Council at ease.)

23                       COUNCIL PRESIDENT CLARKE:

24          Thank you, and again congratulations,  
25          Judge Rendell.

2                   At this time, the Chair  
3 recognizes Councilwoman Quinones-Sanchez,  
4 who will present a resolution recognizing  
5 Zaire "Bam" Anderson. Would Mr. Anderson  
6 and those accompanying him please join  
7 the Councilwoman at the podium.

8                   (Councilmembers and guests  
9 approached podium.)

10                   COUNCIL PRESIDENT CLARKE: And  
11 in the spirit of intergovernmental  
12 cooperation, we also have our good friend  
13 State Representative Jason Dawkins.

14                   And joining the Councilwoman,  
15 we have Councilman Jones.

16                   And, Mr. Anderson, before we  
17 start, I just want to ask, are you a free  
18 agent? You're not available? All right.  
19 Because we could use a little help here  
20 in the City of Philadelphia.

21                   COUNCILWOMAN SANCHEZ: Thank  
22 you so much.

23                   Frankford suffered a tragedy  
24 this weekend with a massive fire, and I  
25 want to take a moment to thank Mayor

2           Kenney and the 150-plus firefighters who  
3           were out there in horrendous weather  
4           conditions fighting the battle in  
5           Frankford. I was joined by board leader  
6           Savage and others. And Frankford is a  
7           proud community, very, very proud. If  
8           you're Frankford born and raised, you're  
9           very proud, right? And this is an  
10          incredible story, and we're not going to  
11          capture everything here. And our Council  
12          alumni, Representative Jason Dawkins,  
13          will add in his remarks. He has an  
14          incredible story, because his journey was  
15          not an easy one. It was not a  
16          traditional one.

17                   And so I encourage all of you  
18          as you share, particularly as we talk  
19          about young folks, we don't need to go  
20          far to be proud of the many successes  
21          that we have in the City of Philadelphia.  
22          I'm very, very proud to always represent  
23          Frankford, but particularly today,  
24          because in the midst of a tragedy, we  
25          still can celebrate as a people. And I'm

Stated Meeting Invocation

2           sure that there's going to be part of  
3           that rebuilding of Frankford that we need  
4           to do along that commercial corridor. So  
5           thank you.

6                       And so today we're recognizing  
7           and congratulating and honoring Zaire  
8           "Bam" Anderson on an outstanding season  
9           as a member of the Super Bowl 50 Champion  
10          Denver Broncos.

11                       (Applause.)

12                       COUNCILWOMAN SANCHEZ: Whereas,  
13          Zaire "Bam" Anderson was born on August  
14          18th, 1992 -- he's a kid -- in  
15          Philadelphia and attended Frankford High  
16          School where he was named the first team  
17          All-Philadelphia public selection in his  
18          senior season; and

19                       COUNCILMAN JONES: Whereas,  
20          Zaire Anderson was a Frankford Charger  
21          alum before he went on to become an  
22          inside linebacker for the University of  
23          Nebraska and later joined the Denver  
24          Broncos in the National Football League  
25          as a college free agent on May 5th, 2015.

2           In his time at the University of  
3           Nebraska, Zaire earned an  
4           honorable-mention All-Big Ten Conference  
5           honors and graduated with a degree in  
6           Child, Youth and Family Sciences in 2014.

7                         We should give him a round of  
8           applause for that.

9                         (Applause.)

10                        COUNCILMAN JONES: Whereas, the  
11           Frankford Chargers is a proud football  
12           organization that has been serving the  
13           Frankford section for over 48 seasons,  
14           with the mission statement of acting as  
15           positive, supportive and concerned role  
16           models in order to inspire and provide  
17           youth with the necessary tools of living  
18           a productive and successful life;

19                        Whereas, on Sunday, February  
20           7th, 2016 at Levi's Stadium in Santa  
21           Clara, California in front of over 68,000  
22           fans and millions more watching at home,

2                       Whereas, after a tremendous  
3       defensive game and following the  
4       leadership of Quarterback Peyton Manning  
5       and Super Bowl Most Valuable Player Von  
6       Miller, the Denver Broncos sealed their  
7       third Super Bowl franchise in the history  
8       of the organization with a victory over  
9       the Carolina Panthers 24 to 10; and

10                    COUNCILWOMAN SANCHEZ: Whereas,  
11       as a member of the Frankford Chargers,  
12       Frankford High School Pioneers, the  
13       Nebraska Cornhuskers and now a member of  
14       the Super Bowl 50 Champion Denver  
15       Broncos, Zaire is viewed as a role model  
16       by the many youth throughout Frankford  
17       and the City of Philadelphia for his  
18       tremendous accomplishments throughout his  
19       athletic career by encouraging young  
20       athletes to continue to follow their  
21       dreams and passions;

22                    So, therefore, be it resolved,  
23       that the Council of the City of  
24       Philadelphia hereby recognizes, we  
25       congratulate him, we honor him, we thank

2           him for representing Frankford proud,  
3           Zaire Anderson on his outstanding season  
4           with the Denver Broncos capping off his  
5           Super Bowl championship.

6                       And further be it resolved,  
7           that an engrossed copy of this resolution  
8           be presented to him -- we're happy that  
9           he could come and join us so quickly --  
10          as the sincere evidence and respect and  
11          admiration from this legislative body.

12                       (Applause.)

13                      COUNCILWOMAN SANCHEZ: I'm  
14          going to ask Representative Jason Dawkins  
15          to say a few words before we hear from  
16          our superstar.

17                      REPRESENTATIVE DAWKINS: Good  
18          morning.

19                      (Good morning.)

20                      REPRESENTATIVE DAWKINS: So let  
21          me just clear the record. I got Coach  
22          Mark back here steaming. He did play for  
23          the Olney Gators. I got to give credit.  
24          I represent the 179th, so that means I  
25          have Olney and Frankford. So as much as

Stated Meeting Invocation

Page 26

1           2/18/16 - STATED - PRESENTATIONS

2           I'm proud of him being from Frankford, we  
3           also have Olney that we got to take care  
4           of.

5                         Like the Councilwoman mentioned  
6           earlier, I've known Zaire pretty much all  
7           of his young adult life. Me and his  
8           older brothers was pretty much best  
9           friends growing up, and he's been an  
10          inspiration not only to myself but I  
11          think to the City of Philadelphia as a  
12          whole.

13                        Regardless of where he may  
14          play, I think kids back home get an  
15          opportunity to see that anything is  
16          possible. When you ignite that  
17          possibility within yourself, anything can  
18          be achievable. I think Zaire speaks to  
19          exactly what that means. He never  
20          allowed "no" to get in the way of "yes,"  
21          because he never believed there was an  
22          actual "no." He always believed there  
23          was either you're going to win or you're  
24          going to learn, and he learned from all  
25          the challenges in his life to make sure

Page 27

2           that he would never make an excuse,  
3           because excuses we know build bridges  
4           nowhere.

5                        So I am proud of this young man  
6           and what he's going to do not only for  
7           this city but for the entire youth  
8           movement that's going on in our city that  
9           needs a role model. So thank you.

10                       (Applause.)

11                       COUNCIL PRESIDENT CLARKE: The  
12           Chair recognizes Mr. Anderson for  
13           remarks.

14                       MR. ANDERSON: Well, I ain't  
15           really got a speech or anything, but I'm  
16           proud, man, just to be from Frankford and  
17           to be from Philadelphia and to be able to  
18           bring the Super Bowl back and have my  
19           family and friends around me and all the  
20           support here. So thank everyone that  
21           came and I really appreciate it.

22                       (Applause.)

23                       COUNCIL PRESIDENT CLARKE:  
24           Council will be at ease.

4                   At this time, the Chair

14                   COUNCIL PRESIDENT CLARKE: And

15 joining Councilman Green, we have

16 Councilman Jones, Councilman Domb, and

17 Councilwoman Gym.

18                   COUNCILMAN GREEN: Good

19 morning. As all of you know that

20 February is Black History Month and

21 although much has been achieved, much

22 more needs to be done and needs to be

23 achieved. And it's very important that

24 we're here today to do this resolution in

25 particular because there was a recent

2           article in U.S. News and World Report  
3           about a study that Georgetown University  
4           did that shows that African Americans  
5           have more access to college than ever,  
6           but are really underrepresented in very  
7           high-paying fields and major fields like  
8           engineering, and that's why it's very  
9           important to do this resolution this  
10          morning.

11                         Honoring, recognizing and  
12          celebrating the 30th Black Engineers of  
13          the Year Awards STEM Conference.

14                         Whereas, hosted by U.S. Black

17          Deans, and Lockheed Martin Corporation,

2           conference events and presentations aim  
3           to address inequities of diversity in  
4           technology and science as a means for  
5           increasing awareness, improving attitudes  
6           and expanding the opportunities for the  
7           current and future workforce; and

8                       Whereas, African American  
9           students are more than twice as likely to  
10          switch to other majors as are white and  
11          Asian American students; in 2006, just  
12          5.2 percent of the engineering degrees  
13          awarded to U.S. citizens went to African  
14          Americans; and

15                      COUNCILMAN DOMB: Whereas, this  
16          event-packed three-day event unites more  
17          than 8,000 industry entrants and  
18          professionals including college  
19          representatives and leaders embodying the  
20          upper echelon in STEM for an agenda that  
21          will include training and networking  
22          opportunities, seminars and workshops and

2                   COUNCILMAN JONES: Whereas, the  
3 winner of the 2016 Black Engineer of the  
4 Year Award is Christopher Jones,  
5 Corporate Vice President and President of  
6 Northrop Grumman's Technical Services  
7 sector. Mr. Jones has provided his  
8 technical expertise and business acumen  
9 there since 2004, after leading flight  
10 testing, research and analytical  
11 innovation rotocraft technologies --  
12 pretty smart -- at the Aircraft  
13 Corporation, among other assignments; and

14                   COUNCILMAN GREEN: Whereas,  
15 Mr. Jones previously demonstrated  
16 scholastic excellence, earning a  
17 bachelor's degree in aerospace  
18 engineering from the Georgia Institute of  
19 Technology followed by master's degrees  
20 in aerospace engineering and engineering  
21 management from the University of Dayton,

3           hereby honor, recognize and celebrate the  
4           30th Black Engineers of the Year Awards  
5           STEM Conference.

6                           (Applause.)

7                           COUNCIL PRESIDENT CLARKE: The  
8           Chair recognizes Dr. Jones for remarks.

9                           DR. JONES: Thank you. Thank  
10          you very much for this recognition. I'm  
11          very humbled by this award. I think a  
12          common theme from the activities so far  
13          today has been education, and this is --  
14          the award is focused on engineering, but  
15          I think continuing to focus on education  
16          in general will serve us well. And as  
17          has been noted, blacks in particular are  
18          underrepresented in the engineering and  
19          STEM career fields, but the United States  
20          also is not producing enough technical  
21          and engineering talent to supply the  
22          needs of industry. And so part of my  
23          role in Northrop Grumman is to help  
24          partner with civic organizations, with  
25          non-profits, with government, and with

2           other agencies to make sure that we're  
3           producing the talent that we need, both  
4           in our industry and in all industries in  
5           general.

6                         So I again thank you very much  
7           for this recognition. Thank you,  
8           Philadelphia, for hosting this event.  
9           Events like this are going to go a long  
10          way. There's a lot of work to do, but a  
11          lot of progress has been made, so I'm  
12          hopeful that collectively we can help  
13          solve this issue and create the talent  
14          that we need and help provide the folks  
15          that companies like Northrop Grumman, our  
16          industry, and our nation need.

17                        Thank you very much.

18                        (Applause.)

19                        COUNCIL PRESIDENT CLARKE:

20          Council will be at ease.

21                        (Council at ease.)

22                        COUNCILMAN HENON: At this

2           Legends. Would the 2016 Philadelphia  
3           Living Legends and those accompanying  
4           them please join the Councilman at the  
5           podium.

6                         (Councilmembers and guests  
7           approached podium.)

8                         COUNCILMAN HENON: Joining them  
9           is Councilman Green, Councilman Greenlee,  
10          Councilman Oh, Councilwoman Bass. I'm  
11          going to say the majority of Council will  
12          be up here.

13                        COUNCILMAN JONES: Continuing  
14          the theme of Black History Month, what  
15          we've tried to do with "living legends"  
16          is to point out unsung heroes that from  
17          time to time get overlooked but make huge  
18          differences in our society as a whole and  
19          in African American communities in  
20          particular.

21                        It takes 10,000 hours to be an  
22          expert at any single field of endeavor.  
23          To be a doctor, to be on this stage, it  
24          took 12 years of elementary school,  
25          middle school and high school; it took

2           four years of college; it took another  
3           four years of medical school; and then it  
4           took a four-year residency to deepen your  
5           knowledge of medicine, a total of 24  
6           years of education, 8,600 days, 12  
7           million minutes of education dedicated to  
8           this field of endeavor, and the cost of  
9           it, one of our Councilpersons is  
10          particularly aware of it because his  
11          daughter -- and he's not here -- is a  
12          doctor, Dr. Nicole Bright, a  
13          dermatologist who practices in New  
14          Jersey, because otherwise she'd have been  
15          up on this stage. She is a 2000 graduate  
16          of PCOM. So it takes a lot to be up  
17          here, and we recognize them today.

18                   Honoring and celebrating  
19          Philadelphia's African American dentists  
20          and physicians for the preservation of  
21          life, limb, health, healing and happiness  
22          as 2016's Philadelphia Legends Award.  
23          All are part of the commemoration of  
24          Black History Month.

3           Egyptian man of color named Imhotep who  
4           was also a medical professor and author  
5           of numerous medical books. Imhotep is  
6           regarded as the founder of ancient  
7           Egyptian medicine; and

8                        COUNCILWOMAN BASS: Whereas,  
9           Imhotep is credited as the author of the  
10          Edwin Smith Papyrus, a textbook on  
11          surgery that details anatomical  
12          observations and the examination,  
13          diagnosis, treatment and prognosis of  
14          numerous ailments. Medical information  
15          in it dates from as early as 3000 BC; and

16                       Whereas, Imhotep is further  
17          credited with diagnosing and treating

24          There he's been consistent in his message

2           his commitment to invest in our  
3           neighborhoods and create a streamlined  
4           approach to new businesses in the City of  
5           Philadelphia.

6                       Today co-sponsored by my  
7           colleague Councilwoman Blondell Reynolds  
8           Brown, I'm introducing a package of bills  
9           to support B corporations. My goal, I  
10          want the City of Philadelphia to become  
11          the B Corp Capital of the World.

12                      Benefit corporations are hugely  
13          important and throughout the world are  
14          making a difference in creating  
15          family-sustaining jobs, creating  
16          entrepreneurial opportunities, businesses  
17          who believe and reinvesting in the  
18          neighborhood in which they operate.  
19          These businesses could be anywhere.  
20          Hopefully they will choose to be in  
21          Philadelphia, and they will do business  
22          everywhere. They are about profit and  
23          economic benefit to the surrounding  
24          community, but they're also about people.  
25          They abide by fair and fair rule labor

2           practices, and they also care about our  
3           planet because they employ and use  
4           sustainable environmental practices.

5                        Along with the Business  
6           Sustainability Network and others, I look  
7           forward to working with the  
8           Administration on these bills as we  
9           provide opportunities in a streamlined  
10          approach to these B corporations. I ask  
11          my colleagues to join me to support  
12          through this process. We will work with  
13          the revenue about the cost around these  
14          incentives, but I look forward and I hope  
15          folks begin to hashtag that Philly, B  
16          Corp Capital of the World.

17                        Thank you.

2           response to my speeches, in this member  
3           of the people's opinion, citing events I  
4           don't recall shows a shocking lack of  
5           compassion. I am truly ashamed to say  
6           that I voted for him. Compassion and  
7           desire to investigate possible serious  
8           violations of constitution law that leave  
9           any owner in Philadelphia homeless are  
10          requirements of a public official. See  
11          U.S. Code, see oath of office,  
12          Constitution, et cetera.

13                    If no one buys property, values  
14           sink, tax revenues fall. Why would you  
15           buy if you were treated like Mel of El  
16           Greco Pizza, artist James Dupree,  
17           Dr. Turner, Glenn Mancini, me and others  
18           unnamed? In my opinion, the City is  
19           taking the Catholic church pedophile  
20           priest method of dealing with this issue.

21                    Council and the Mayor's Office  
22           show no concern to solve this. They seem  
23           to want to spend lots of money to  
24           litigate it instead. Council, Mayor's  
25           Office, RDA, and their attorneys have

2           opposed a Seventh Amendment common law  
3           jury trial in my situation. Is that even  
4           allowed? Cooper v. Aaron states public  
5           officials cannot war with the  
6           Constitution without violating their duty  
7           or oath of office to support. Some might  
8           call this treason.

9                        As the City with underfunded  
10           schools, are legal bills the highest and  
11           best use of these funds? How many  
12           decades does it take for my speedy trial?  
13           In 1991, I purchased a home that's  
14           referred to in a later article as even  
15           the federal government is suffering  
16           buyers. Then came 18 years of waiting  
17           for the City to act while it received  
18           funds. I write several articles and  
19           communications from HUD that allude to  
20           the City receiving up to 40 million or  
21           more extra money for over a decade.  
22           Newspaper reports only 32 million total  
23           were spent on Logan. I guess that's  
24           where the extra funds in the 10/15

3           taxpayer dollars may be given to a  
4           developer to build a shopping mall on top  
5           of my former home that was taken from me  
6           without payment for my fully remodeled,  
7           three-apartment, two-storefront building  
8           that was sold to me as a shell by a  
9           self-identified HUD agent for \$6,000. I  
10          was offered ridiculously outrageous  
11          amounts of \$100 and \$800 by the RDA.

12                    The City has had plenty of  
13          funds, according to federal officials, to  
14          solve this problem. Why do you as agents  
15          and agencies solely designed to serve the  
16          people and conduct our business refuse to  
17          solve this problem? I quote Paul  
18          Robeson: The answer to injustice is not  
19          to silence the critic but end the  
20          injustice.

21                    These articles and previous

11                  COUNCILWOMAN BROWN:

12                  Mr. President, I'll be brief. A friendly

14                  their staff as we look towards the  
15                  official closing of the celebration of

17                  want to look forward towards the 4th  
18                  Annual African American History

20                  body, and we want to extend a special  
21                  offer/invitation to our freshmen  
22                  colleagues. It's a wonderful artistic  
23                  experience that includes spoken word,  
24                  music, and art, and I'm thrilled to say  
25                  that we will have the church of our

4                   So we invite all to attend.

5                   The one caveat is if you want to enjoy  
6                   the wonderful soul food lunch, then you  
7                   need to have your African American  
8                   History ticket indicating that you  
9                   attended the African American History  
10                  program. So ask our colleagues to put  
11                  that on their schedule, and all staff are  
12                  invited to attend, Mr. President.

13                  Thank you.

14                  COUNCIL PRESIDENT CLARKE:

15                  Thank you, Councilwoman.

16                  The Chair recognizes Councilman  
17                  Johnson.

18                  COUNCILMAN JOHNSON: Thank you,  
19                  Council President. Just brief. The  
20                  other day there was a ruling that came  
21                  down from the Supreme Court of  
22                  Pennsylvania regarding how the School  
23                  Reform Commission operates and also what  
24                  their powers are and what their powers  
25                  aren't. And so as we move forward, I

Stated Meeting Invocation  
February 18, 2016

Page 87

1                   2/18/16 - STATED - SPEECHES

2           would like my staff to work in  
3           partnership with yourself and, most  
4           importantly, the Chair of Education to  
5           really take apart the legal opinion and  
6           begin to be prepared before this budget  
7           process starts to see how it's going to  
8           have an impact particularly on our body.  
9           Because over the past four years since  
10          I've been here, we've always done the  
11          heavy lifting on the City's side to  
12          provide revenue to keep our School  
13          District afloat. And so obviously  
14          there's some things that need to be  
15          worked out on the state level, and  
16          hopefully our Philadelphia Delegation  
17          will be on top of it as well. Because  
18          ultimately when these type of rulings  
19          come down and they have financial  
20          implications, it's usually us, our body,  
21          that has to do the heavy lifting to make  
22          sure the District has their level of  
23          funding.

24                   And so our staff will be  
25          reaching out to make sure that we're

5                   Thank you, Council President.

6                   COUNCIL PRESIDENT CLARKE:

7           Thank you, Councilman.

8                   The Chair recognizes

9           Councilwoman Gym.

10                   COUNCILWOMAN GYM: Thank you  
11           very much, Mr. President. I'd like to  
12           echo my colleague's sentiments, and I  
13           thank Councilman Johnson for raising up  
14           the importance of holding the District  
15           accountable for financial projections to  
16           which the entire City of Philadelphia  
17           must pay attention to.

18                   I, speaking only for myself,  
19           feel that the Supreme Court did the right  
20           thing in clipping a little bit of the  
21           SRC's extensive overreach on its  
22           perceived powers and believe that it is  
23           time for the District to really focus  
24           primarily on its first and foremost most  
25           important mission, which is the education

3                   Today at 1:00 p.m. we'll be  
4           having a hearing to start that process  
5           and make sure that the District's focus  
6           and prioritization about its services  
7           that address the safety and academics of  
8           young people are held paramount and that  
9           they don't have to be so distracted with  
10          its extension and overreach of powers.

11                   Thank you very much.

12                   COUNCIL PRESIDENT CLARKE:

13          Thank you very much, Councilwoman.

14                   That concludes our speeches.

15          Before we call for an adjournment, I  
16          would ask if we could have a five-minute  
17          recess, if that's okay with the body. We  
18          have to discuss a legislative matter.  
19          Five minutes.

20                   (Duly seconded.)

21                   (Short recess.)

22                   COUNCIL PRESIDENT CLARKE:

23          Thank you. We are now reconvening.

24          Before we call for a recess, we're going
