COUNCIL PRESIDENT CLARKE: Good morning. We're going to get started now. If the members will take their seats and the visitors and guests retire behind the rail, we will get this show on the road.

To give our invocation this morning, the Chair recognizes Shane Claiborne of The Simple Way. He is here today as the guest of Councilman Oh.

I would ask all members, guests, and visitors to please rise.

(Councilmembers, guests, and visitors rise.)

MR. CLAIBORNE: Thank you. It's an honor and a delight to be here. It's great to have one of my friends with me, also a block captain, Miguel Diaz, 3200 block of Potter Street, where we've been living and working for the last 20 years, a little community near Kensington and Allegheny. And I brought something with me that we made. We are always praying. On our front door, it says "God, heal our hearts, heal our streets,

1           9/28/17 - STATED - INVOCATION

2           and heal our world," and this is a plow  
3           that we made out of guns.

4                        We've started taking guns from  
5           our streets and melting them down and  
6           beating them into plows after that  
7           beautiful text. We'll beat our swords  
8           into plow shears. So you keep sending us  
9           guns and we'll keep making some garden  
10          tools.

11                       So let's pray together.

12                       Dear God, we do pray for this  
13          world. We thank you for our city. We  
14          thank you for creating a perfect world,  
15          and we ask that you would forgive us for  
16          the mess that we've made of it.

17                       We pray for those who suffer  
18          today, especially our brothers and  
19          sisters in Puerto Rico. We pray for  
20          those who suffer from violence,  
21          remembering the sin of violence that goes  
22          all the way back to Cain and Abel where  
23          you said the blood cries out to you from  
24          the ground.

25                       We pray for all the lives lost,

1           9/28/17 - STATED - INVOCATION

2           for the natives, for Africans, for all  
3           those whose blood cries out from the  
4           land, for Trayvon Martin, Michael Brown,  
5           Sandra Bland, Tamir Rice, Freddie Gray,  
6           Eric Gardner, Anthony Smith. You know  
7           their names, your children whose blood  
8           cries out from the ground. So heal the  
9           wounds of our streets and have mercy on  
10          us.

11                        We remember that you said that  
12          we're to welcome the foreigner as if they  
13          were our own flesh and blood, for we were  
14          once foreigners in the land of Egypt.  
15          And so today we pray for immigrants and  
16          refugees, women, men, and children, for  
17          the victims of war and persecution, for  
18          the addicted on our streets, for the  
19          homeless, for the imprisoned and the  
20          tortured, for the widows and orphans so  
21          special to you. We know that when we  
22          welcome them, we welcome you.

23                        So forgive us for choosing  
24          ourselves over others, for prioritizing  
25          the rich over the poor, for turning

1           9/28/17 - STATED - INVOCATION

2           others into enemies, and for trusting in  
3           the sword and the gun instead of your  
4           cross.

5                         Forgive us for disrespecting  
6           the earth, for creating a world where so  
7           many have so little and so few have so  
8           much.

9                         Forgive us for building prisons  
10          rather than schools, for building walls  
11          instead of bridges. Forgive us for  
12          forgetting the most vulnerable among us.

13                        And heal us, God. Deliver us  
14          from the tyranny of greed and pride and  
15          power. Deliver us from the contagion of  
16          fear that is rampant across our land.

17          Forgive us and heal us from the idolatry  
18          of nationalism, the ugliness of racism,  
19          the cancer of hatred.

20                        Deliver us from the ghettos of  
21          poverty and the ghettos of wealth. And I  
22          pray for these, my brothers and sisters,  
23          leaders of our city, that you would break  
24          their hearts with the things that break  
25          yours, that you would give them eyes to

1           9/28/17 - STATED - INVOCATION

2           see those who go unnoticed, that you  
3           would give them courage to overcome evil  
4           with good.

5                         Help them disagree well when  
6           they disagree. Help them to look for  
7           truth where they might not expect to find  
8           it. Give them imagination that they  
9           might think outside the box, and give  
10          them a vision for justice that is big  
11          enough to heal both the oppressed and the  
12          oppressors.

13                        Give them compassion for our  
14          most vulnerable citizens, oh God. Give  
15          us dreams for our city, dreams that you  
16          talk about in scripture where the last  
17          are first and the first are last, where  
18          the mighty are cast from their thrones  
19          and the lowly are lifted up; where the  
20          poor are blessed and the peacemakers are  
21          the children of God; where we will beat  
22          swords into plows and spears into pruning  
23          hooks and guns into farm tools; where  
24          every person will have this day their  
25          daily bread, so may this be a city of

3 they are or where they come from; where  
4 we can live without fear as your family.

5 In Jesus' name, amen.

6 (Amen.)

7 COUNCIL PRESIDENT CLARKE:

8 Thank you so much for those very  
9 inspiring words.

10 Council will be at ease.

11 (Council at ease.)

12 COUNCIL PRESIDENT CLARKE:

13 Again, thanks for those inspiring words.

14 The next order of business is  
15 the approval of the Journal of the  
16 meeting of Thursday, September 21st,  
17 2017, and the Chair recognizes Councilman  
18 Greenlee.

19 COUNCILMAN GREENLEE: Thank  
20 you, Mr. President. I move that the  
21 Journal of the meeting of Thursday,

23 (Duly seconded.)

24 COUNCIL PRESIDENT CLARKE:

25 Thank you. It has been moved and

1                   9/28/17 - STATED - LEAVES  
2           properly seconded that the Journal of the  
3           meeting of Thursday, September 21st, 2017  
4           be approved.

5                   All those in favor say aye.

6                   (Aye.)

7                   COUNCIL PRESIDENT CLARKE:

8           Those opposed?

9                   (No response.)

10                  COUNCIL PRESIDENT CLARKE: The  
11           ayes have it, and the Journal is  
12           approved.

13                  The next order of business is  
14           requests for leaves of absence, and the  
15           Chair recognizes Councilman Henon.

16                  COUNCILMAN HENON: Thank you,  
17           Mr. President. On behalf of the  
18           majority, there are no requests of leave  
19           of absence today.

20                  COUNCIL PRESIDENT CLARKE: The  
21           Chair thanks the gentleman.

22                  The Chair now recognizes  
23           Councilman O'Neill.

24                  COUNCILMAN O'NEILL: Thank you,  
25           Mr. President. On behalf of the

1           9/28/17 - STATED - PRESENTATIONS

2           republicans, there are no requests for  
3           leave of absence.

4                    COUNCIL PRESIDENT CLARKE: The  
5           Chair thanks the gentleman.

6                    At this time, I would like to  
7           dispense with the regular order of  
8           business and I would like to welcome and  
9           I want to thank everyone who has taken  
10          time out of their busy day to come down  
11          to witness their government in action.  
12          We hope your stay here today is a very  
13          knowledgeable one but, more importantly,  
14          a pleasurable, so much so that you come  
15          back again. So, again, thank you so much  
16          for coming in.

17                   At this time, the Chair  
18          recognizes Councilman Jones, who will  
19          present a resolution recognizing Minority  
20          Enterprise Development Week, also known  
21          as MED Week. Would Mrs. Iola Harper,  
22          Deputy Director of Commerce, and those  
23          accompanying her please join the  
24          Councilman at the podium.

25                   (Councilmembers and guests

1 9/28/17 - STATED - PRESENTATIONS

2 approached podium.)

3 COUNCIL PRESIDENT CLARKE: And

4 joining Councilman Jones we have

5 Councilwoman Blackwell, Councilman

6 Greenlee, Councilman Domb, Councilwoman

7 Reynolds Brown, Councilwoman Parker,

8 Councilman Taubenberger, Councilman

9 Johnson, Councilman Oh, Councilwoman

10 Quinones-Sanchez, Councilman Green,

11 Councilman Squilla.

12 COUNCILMAN JONES: So I bring

13 you greetings back from the City of

14 Seattle where progressives live and play

15 and make laws and do things. They make

16 Bill Greenlee look like a hard-core

17 conservative out there.

18 But one of the discussions and

19 they were talking about human rights and

20 they were talking about civil rights and

21 they were talking about inclusion, both

22 economic and political, and one of the

23 sidebar conversations, which are best at

24 these conferences, is that some of the

25 older civil rights advocates, some of the

1           9/28/17 - STATED - PRESENTATIONS

2           lawmakers that go back in the day said  
3           that it's like Back to the Future in this  
4           country, Back to the Future Part 2, if  
5           you would. And I started looking at that  
6           analogy and remembering it was one of my  
7           favorite movies, and there was a  
8           character in that movie called Biff  
9           Tannen. Everybody remember Biff Tannen?  
10          And so if you didn't, I want to give a  
11          description of Biff.

12                        So Biff is a towering, violent,  
13           and selfish bully who obtained whatever  
14           he wanted by intimidation of others and  
15           getting others to do work for him or by  
16           cheating. And I brought a picture of  
17           Biff, and it's eerily familiar. It's  
18           almost separated at birth.

19                        And so when you talk about  
20           going back to the future, the future that  
21           I want to go back to is when people of  
22           every color, good people, fought for what  
23           is right and made a stand and did what  
24           they could in the field that they could.  
25           And in the City when you think of that,

1 9/28/17 - STATED - PRESENTATIONS

2 you cannot not mention the late great  
3 Lucien Blackwell, who is one of the  
4 fathers of affirmative action in this  
5 town. You cannot not think of Dr. Edward  
6 Robinson. And for you young people, you  
7 better Google him, because he was one of  
8 the fathers of affirmative action in this  
9 town, along with -- from the Northwest.  
10 Yes, you're right.

11 And the third leg of that stool  
12 has to be our Mayor, former Mayor Wilson  
13 Goode. And I understand -- I hope I'm  
14 not letting the cat out of the bag that  
15 his son is going to receive an advocacy  
16 award, and I think that's truly  
17 appropriate for one of our own to receive  
18 that.

19 So on March 5th, 1969, Richard  
20 Nixon wrote an Executive Order. And this  
21 shows that it is a bipartisan effort,  
22 that republicans can be a part of those  
23 good people that want to do good things,  
24 and we exhibit that every day with our  
25 fellow republicans here.

1           9/28/17 - STATED - PRESENTATIONS

2                   So many people wanted to be a  
3 part of this that I had to X out my part  
4 to make sure my sister Maria got her  
5 portion in there. But this is to  
6 acknowledge the 2017 MED Week  
7 celebrations in this town, where we have  
8 had our ebb and flow of inclusion, and I  
9 will bring forth my sister, and our  
10 prayers are with Puerto Rico, to begin  
11 this citation.

12                   COUNCILWOMAN SANCHEZ: Thank  
13 you. Thank you, Councilman. We have to  
14 celebrate our progress and remind us that  
15 there's still a sense of urgency about  
16 how much more we should be doing.

17                   This is a resolution supporting  
18 the National Minority Business  
19 Development Agency and recognizing  
20 October 2nd through October 6th, 2017 as  
21 Philadelphia Minority Enterprise  
22 Development Week, which provides critical  
23 information, resources, opportunities and  
24 inspiration to the minority business  
25 community.

1           9/28/17 - STATED - PRESENTATIONS

2                   COUNCILWOMAN BLACKWELL: Since  
3           1983, the U.S. President has proclaimed a  
4           National MED, or Minority Enterprise  
5           Development, Week observance to recognize  
6           the outstanding achievements of Minority  
7           Business Enterprises, or MBEs, and to  
8           honor those corporations and financial  
9           institutions that support minority  
10          business development; and

11                   COUNCILMAN TAUBENBERGER: And  
12          whereas, annual regional conferences and  
13          activities are organized by the United  
14          States Department of Commerce Minority  
15          Business Development Agency (MBDA) in  
16          collaboration with the U.S. Small  
17          Business Administration Office of  
18          Government Contracting and Business  
19          Development;

20                   COUNCILMAN JOHNSON: Whereas,  
21          the MED Week celebration was started  
22          locally in Philadelphia in 1984 to honor  
23          and promote minority-owned businesses in  
24          the Philadelphia area. The organizers of  
25          the first MED Week activities were

1           9/28/17 - STATED - PRESENTATIONS

2           Barbara Daniel Cox, former Director --  
3           former Managing Director Mayor Wilson  
4           Goode -- the organizers of the first MED  
5           Week activities were Barbara Daniel Cox,  
6           former Director of Mayor Wilson Goode's  
7           Women's Commission, and Bilal Abdul  
8           Qayyum, Assistant Deputy Director of the  
9           City Commerce Department; and

10                   COUNCILMAN SQUILLA: Whereas,  
11           the 33rd Anniversary of Philadelphia MED  
12           Week is sponsored by corporations, local  
13           colleges, universities, hospitals, local  
14           and regional government agencies and  
15           organizations that are committed to  
16           supporting the opportunities for minority  
17           businesses; and

18                   COUNCILWOMAN PARKER: Whereas,  
19           the sponsors include the African American  
20           Chamber of Commerce, Asian American  
21           Chamber of Commerce, Greater Philadelphia  
22           Hispanic Chamber of Commerce, the  
23           Northeast Chamber of Commerce, the City  
24           of Philadelphia's Commerce Department,  
25           the Mayor's Office of Diversity and

1           9/28/17 - STATED - PRESENTATIONS

2           Inclusion, and the MBDA Business Center  
3           of Pennsylvania; and

4                    COUNCILWOMAN BROWN:   And  
5           whereas, it is during MED Week that the  
6           City of Philadelphia also recognizes the  
7           critical role of OEO leadership and  
8           officers in assisting departments in  
9           helping them meet their broad  
10          responsibilities for developing policies,  
11          programs, practices and strategies all  
12          designed to achieve its goal regarding  
13          M/W/DSBE participation in City contracts;

14                   COUNCILMAN GREENLEE:   Whereas,  
15          small businesses in Philadelphia and  
16          across the country are the cornerstone of  
17          economic growth, creating two-thirds of  
18          net new jobs in the country and  
19          comprising 50 percent of America's  
20          employment; and

21                   COUNCILMAN DOMB:   Whereas, the  
22          sources of capital, technical resources,  
23          and contracting opportunities are  
24          essential to the development, growth, and  
25          prosperity of minority businesses and MED

1           9/28/17 - STATED - PRESENTATIONS  
2           Week will host some of the most prominent  
3           contracting organizations and resource  
4           providers that stand for the success of  
5           the small business community; and

6                    COUNCILMAN GREEN: Whereas,  
7           Philadelphia MED Week has grown  
8           exponentially since its inception and  
9           this year includes over 40 sponsors  
10          offering more than 30 workshops,  
11          seminars, and networking opportunities  
12          across the region: "City of Philadelphia  
13          Open for Business Expo", "REBUILD: We  
14          Will Work", "Meet the Lenders", "PHL  
15          Airport 2017 Annual Business Opportunity  
16          Forum", and "Lighting of the Torch"; now,  
17          therefore, be it

18                   COUNCILMAN OH: Resolved, by  
19          the Council of the City of Philadelphia,  
20          that it hereby supports the National  
21          Minority Business Development Agency and  
22          recognizes October 2nd through October  
23          6th, 2017 as Philadelphia Minority  
24          Enterprise Development (MED) Week, which  
25          provides critical information, resources,

1           9/28/17 - STATED - PRESENTATIONS  
2           opportunities and inspiration to the  
3           minority business community.

4                     Further resolved, that an  
5           engrossed copy of this resolution be  
6           presented to the Philadelphia MED Week  
7           Committee as evidence of the strong  
8           support and sincere sentiments of this  
9           legislative body.

10                    COUNCILMAN JONES: Before we  
11           bring up representatives from MED Week, I  
12           would be remiss, Mr. President, if I  
13           didn't recognize titans in this Chamber.  
14           She's not up here, but she should be.  
15           Councilwoman Bass fought hard during the  
16           Rebuild process to make sure inclusionary  
17           language was in the Rebuild legislation,  
18           and I want to, as she talks to our  
19           republican colleague, just recognize  
20           Cindy Bass for her contribution during  
21           Rebuild and all she did to keep this hope  
22           alive in Rebuild.

23                    Also, everybody voted for it,  
24           but particularly Councilwoman Parker who  
25           also, with Councilwoman Brown, were the

1           9/28/17 - STATED - PRESENTATIONS  
2           voices of the President and others to  
3           make sure that all people were included  
4           in this process.

5                        So I would be remiss. We ran  
6           out of whereases, that's all, but  
7           whereas, you were here when it counted.

8                        COUNCIL PRESIDENT CLARKE:  
9           That's called cleaning it up.

10                      The Chair recognizes Ms. Harper  
11           for remarks.

12                      MS. HARPER: Good morning.  
13                      (Good morning.)

14                      MS. HARPER: It is indeed an  
15           honor for the Office of Economic  
16           Opportunity to lead Philadelphia's 33rd  
17           Annual Minority Enterprise Development  
18           Week.

19                      Nationally, minority-owned  
20           firms employ millions of workers, and  
21           they generate more than one trillion  
22           dollars in economic output. These  
23           businesses play a huge role in  
24           revitalizing and stabilizing our  
25           community, and we are proud to support

1           9/28/17 - STATED - PRESENTATIONS  
2           these firms by providing resources,  
3           information, and access that they need to  
4           grow in scale.

5                     The theme for this year is All  
6           Roads Lead to Inclusion. To live up to  
7           that theme, we have planned a week  
8           jam-packed with events designed to  
9           connect minority, women, disabled-owned  
10          enterprises to the billions of dollars in  
11          economic opportunity in this region.

12                    The City of Philadelphia  
13          co-sponsors this event with the African  
14          American, Asian, and Hispanic Chambers,  
15          as well as the Minority Business  
16          Development Agency, and there are 50  
17          organizations and leaders that have come  
18          together to disseminate information on  
19          how to plug into opportunities with  
20          Schuylkill Yards, Rebuild, Navy Yard,  
21          PGW, Philadelphia Airport, just to name a  
22          few.

23                    There are also sessions for  
24          those interested in hotel ownership,  
25          doing business with educational and

1           9/28/17 - STATED - PRESENTATIONS  
2           medical institutions, and there is even a  
3           meetup for young entrepreneurs in the  
4           City. We have programs that are  
5           available that list all of the  
6           activities.

7                         And for those in City Council,  
8           we left you a gift on your table. For  
9           the first time ever, we are offering MED  
10          Week coupons. So we hope that you will  
11          visit the businesses on the corridors in  
12          the City of Philadelphia and actually use  
13          these coupons. We are piloting this for  
14          the first year in West Philadelphia, and  
15          if these coupons are actually used, we  
16          will spread this throughout the City. So  
17          we hope you use those coupons.

18                        In closing, I'd like to ask the  
19          Office of Economic Opportunity officers  
20          to stand up. So if you're an OEO officer  
21          and you're here, please stand.

22                        (Applause.)

23                        MS. HARPER: I'd like to ask  
24          the staff members of the Office of  
25          Economic Opportunity to also stand.

3 MS. HARPER: And then, finally,  
4 I'd like to ask all of our partners with  
5 MED Week to stand up as well.

6 (Applause.)

7 MS. HARPER: And I want to say  
8 that these are the individuals that are  
9 out here every single day fighting,  
10 advocating, supporting, and making sure  
11 that women, minorities, and disabled  
12 business owners actually do receive their  
13 fair share of the pie.

14 So we are excited about MED  
15 Week, and we certainly hope that you will  
16 join us.

17 (Applause.)

24 Councilwoman Gym, and Councilman Greenlee  
25 and everyone.

1           9/28/17 - STATED - INTRO. OF BILLS

2                   This afternoon at 5 o'clock the  
3 Mayor is hosting a press conference with  
4 the congressional delegation, Congressmen  
5 Brady, Boyle and Evans, along with  
6 Senator Casey, and we have gotten a  
7 public statement by Senator Toomey.

8                   While I am puzzled and  
9 bewildered by public policy through  
10 Twitter, I do want to recognize that this  
11 morning through Twitter the President is  
12 issuing a ten-day waiver of the Jones  
13 Act, which is one of the pieces of  
14 legislation we'll be speaking to at 5  
15 o'clock. But it is not enough.

16                   The Naval Hospital that is  
17 being shipped to Puerto Rico as part of  
18 the relief efforts is still nine days  
19 away. So giving us a ten-day reprieve is  
20 not sufficient. And I want to thank  
21 Governor Wolf, who also joined us on  
22 Sunday and made a personal pledge of  
23 \$15,000. The Mayor made a pledge of  
24 \$5,000 for local relief efforts.

25                   The situation in Puerto Rico is

1 9/28/17 - STATED - INTRO. OF BILLS

2 dire. Let me repeat that. The situation  
3 in Puerto Rico is dire. Federal  
4 officials who oversaw the Katrina relief  
5 efforts in New Orleans say it is much  
6 more devastating, and at this point in  
7 the relief efforts, they had tens of  
8 thousands of boots on the ground from the  
9 federal government. We are nowhere near  
10 this.

11 As the President has  
12 acknowledged, Puerto Rico is surrounded  
13 by an ocean, a big, big ocean, two oceans  
14 actually, but I'm not going to correct  
15 that at this point, and it's not -- does  
16 not have access through roads, and it's  
17 for this reason that the ten-day waiver  
18 is not sufficient.

19 With the group with our  
20 congressional leadership and Unidos  
21 PA'PR, which is led by Representative  
22 Cruz, Vazquez, and myself and many  
23 leaders, including former Councilman  
24 Ortiz, who will join us this morning in  
25 our relief efforts, what we're calling

1           9/28/17 - STATED - INTRO. OF BILLS  
2           for is an immediate, immediate  
3           allocation. FEMA is still in its  
4           assessment before it can issue a report,  
5           before it can develop a budget, before it  
6           can ask for an allocation. That is two  
7           to three weeks away. That is not enough.  
8           And so we're asking for an immediate FEMA  
9           allocation for relief efforts in Puerto  
10          Rico.

11                        I will note that the U.S.  
12          Virgin Islands do not have to abide by  
13          the Jones Act. So we are literally a  
14          45-minute boat drive, and they have  
15          abilities that we don't in Puerto Rico to  
16          activate relief.

17                        We are asking the U.S. Army of  
18          Engineers to immediately oversee the dam  
19          that has been breached, and those of us  
20          who remember Katrina, the dangerous  
21          situation that that creates, and the  
22          possible relocation of 70,000 people. We  
23          want them to take leadership in that.

24                        We want the deployment and the  
25          activation of thousands of emergency

1           9/28/17 - STATED - INTRO. OF BILLS  
2           responders, and we want to break the  
3           bottleneck that exists both at the  
4           airport and on the naval base.

5                     I know there's discussion that  
6           there's products at the port that can't  
7           get to folks. Folks, I need to put this  
8           in context. At the port we have a  
9           million liters of water. There are 3.4  
10          million people on the island. What is on  
11          the port is not sufficient. And so that  
12          is why it is important that we get an  
13          immediate release of the Jones Act, not  
14          for ten days but at least a year, which  
15          is what our Senate counterparts are  
16          requesting, Schumer and Casey, and our  
17          Puerto Rican congressional delegation of  
18          Velazquez, Gutierrez, Serrano, and Darren  
19          Soto are requesting.

20                    This is dire. Yes, we are  
21          going to be, whether it's coordinated  
22          through FEMA or not, bombarded by Puerto  
23          Ricans once commercial flights are up and  
24          going. There's only ten commercial  
25          flights a day, as the air tower is not

1 9/28/17 - STATED - INTRO. OF BILLS

2 functioning.

3 So I want to again recognize  
4 all of my colleagues for co-sponsoring  
5 this resolution, for understanding the  
6 dire needs that exist on the island of  
7 Puerto Rico, and I can say that the  
8 American citizens on Puerto Rico need  
9 immediate action. And everything -- no  
10 one is doubting the level of commitment  
11 of the folks who are on the ground. I  
12 think what we are lacking is the  
13 leadership to say that what we're doing  
14 on the ground is not enough.

15 So thank you all, thanks for  
16 the folks, every single non-profit  
17 leader, every -- you have young people,  
18 folks in colleges. Everybody wants to  
19 help. Right now we don't have the  
20 capacity to store stuff, to ship stuff.  
21 Even our own Salvation Army through the  
22 efforts of the Mayor and the work we are  
23 doing, we finally got some relief.  
24 Things shipped yesterday. So we're not  
25 even prepared to take stuff to be able to

1 9/28/17 - STATED - INTRO. OF BILLS

2 ship to Puerto Rico.

3 So I want to thank all of you  
4 and particularly the congressional  
5 delegation for their support and standing  
6 with the 150,000 Puerto Ricans in  
7 Philadelphia and the 400,000 Puerto  
8 Ricans that are here in Pennsylvania.

9 Thank you, Council President.

10 COUNCIL PRESIDENT CLARKE:

11 Thank you, Councilwoman.

12 (Applause.)

13 COUNCIL PRESIDENT CLARKE:

14 Thank you, Councilwoman, for your  
15 continued commitment.

16 The Chair recognizes Councilman  
17 Green.

18 COUNCILMAN GREEN: Thank you,  
19 Council President. I want to thank  
20 Councilwoman Sanchez for her update on  
21 the information regarding Puerto Rico and  
22 for offering her advocacy regarding this  
23 important issue.

24 I have two privileged  
25 resolutions.

1 9/28/17 - STATED - INTRO. OF BILLS

2 COUNCIL PRESIDENT CLARKE:

3 Thank you, Councilman.

4 CHIEF CLERK: A privileged  
5 resolution authorizing the Committee on  
6 Public Health & Human Services to hold  
7 hearings regarding board and leadership  
8 diversity among foundations and  
9 non-profit organizations in Philadelphia.

10 COUNCIL PRESIDENT CLARKE: This  
11 week's Final Passage Calendar.

12 CHIEF CLERK: And a privileged  
13 resolution authorizing the Special  
14 Committee on Criminal Justice Reform to  
15 hold hearings regarding the role of a  
16 bail fund in Philadelphia.

17 COUNCIL PRESIDENT CLARKE: This  
18 week's Calendar.

19 The Chair recognizes  
20 Councilwoman Parker.

21 COUNCILWOMAN PARKER: Thank  
22 you, Mr. President. Today I offer one  
23 privileged resolution that is primely  
24 co-authored by Councilman Brian O'Neill  
25 along with Councilmembers Jones, Oh,

1           9/28/17 - STATED - INTRO. OF BILLS  
2           Taubenberger, Henon, Green, Greenlee,  
3           Domb, and Gym, and I wish to be  
4           recognized to comment after the title is  
5           read.

6                        COUNCIL PRESIDENT CLARKE:  
7           Thank you, Councilwoman.

8                        CHIEF CLERK: A privileged  
9           resolution authorizing the City Council  
10          Committee on Labor & Civil Service to  
11          hold hearings regarding the State's  
12          recent legalization of medical marijuana  
13          and to address questions related to  
14          medical marijuana's potential impact on  
15          employers and employees in Philadelphia.

16                       COUNCIL PRESIDENT CLARKE: The  
17          Chair recognizes Councilwoman Parker.

18                       COUNCILWOMAN PARKER: Thank  
19          you, Mr. President. It is no secret that  
20          we in the Ninth Councilmanic District,  
21          along with residents in the Stenton  
22          Avenue area, had the issue of medical  
23          marijuana on our radar beginning this  
24          spring as it related to the potential of  
25          a medical marijuana dispensary being

1 9/28/17 - STATED - INTRO. OF BILLS

2 located in a residential area.

3 I want to give a special thanks  
4 to the residents in that area for their  
5 activism, but also give a special thanks  
6 to all of my colleagues, and in  
7 particular I want to say thank you to  
8 you, Councilman Brian O'Neill, for your  
9 support.

10 You may remember that we had to  
11 pass legislation after Council passed its  
12 law regulating the zoning of medical  
13 marijuana dispensaries in the City of  
14 Philadelphia. We had to pass a bill  
15 clarifying the legislative intent of this  
16 body to prohibit a dispensary from being  
17 located within 500 feet of any type of  
18 school and other places where children  
19 congregate such as parks, pools,  
20 libraries, recreation centers and,  
21 equally important, day cares. And  
22 whether it was by omission or we thought  
23 we were sort of functioning in a court  
24 with state law, but we learned that the  
25 very bill that we as a Council thought we

1           9/28/17 - STATED - INTRO. OF BILLS  
2           did our due diligence in passing was the  
3           actual tool that was used against us  
4           during our fight in zoning. And I wanted  
5           to say a special thanks to Councilman  
6           Brian O'Neill, because I think maybe it  
7           was your legal prowess and/or your years  
8           of experience relative to zoning where  
9           you knew that the fix was needed for this  
10          body. So I want to say thank you.

11                        But during this time,  
12          Mr. President, and for the benefit of all  
13          residents in the City of Philadelphia,  
14          instead of thinking we know what's best,  
15          another issue came up from the community  
16          that I hadn't given a lot of thought to,  
17          and that was relative to employment in  
18          the City of Philadelphia and how the  
19          medical marijuana industry would impact  
20          employers and employees.

21                        Now, everyone was  
22          overwhelmingly supportive, particularly  
23          the residents that I communicated with,  
24          and I've seen various polls, but the  
25          question of what will happen to employees

1           9/28/17 - STATED - INTRO. OF BILLS  
2           who are also medical marijuana patients  
3           but whose employers do drug testing, and  
4           when this issue was raised from the  
5           community, I immediately heard phones in  
6           the offices of District Councilmembers  
7           sort of ringing with folks questioning if  
8           that occurs when it is implemented. You  
9           know, I was fired wrongly. I am a  
10          patient receiving this much-needed  
11          medicine.

12                        And unfortunately the law, the  
13          act in and of itself, has not effectively  
14          answered the question, and this is why  
15          this resolution calls for a hearing on  
16          medical marijuana's potential impact on  
17          employers and employees in Philadelphia.  
18          And we knew we were there when we read an  
19          article in the Legal Intelligencer that  
20          was written by an attorney named John  
21          McQueary and he highlighted these same  
22          concerns, and I want to just quote him  
23          for the record. "The imprecision of the  
24          Medical Marijuana Act's statutory  
25          language addressing employment injects

1           9/28/17 - STATED - INTRO. OF BILLS  
2           needless uncertainty into the employer  
3           and employee relationship, which likely  
4           will not be resolved absent litigation."

5                       Now, this is a product and a  
6           medicine that we know will help our  
7           constituents, but the unintended  
8           consequences, unless we hash them out,  
9           could be this legislative body or local  
10          legislative bodies across the  
11          Commonwealth introducing a litany of  
12          bills and resolutions regarding the issue  
13          when we should really be asking the  
14          private sector to help us drive the  
15          discussion so we can forward our  
16          recommendations to our Governor, along  
17          with our both republican and democratic  
18          leaders in Harrisburg, and we can begin  
19          to give a guide to our residents on how  
20          we should proceed relative to employment  
21          and employees. And you heard me say that  
22          I don't think government should literally  
23          drive this discussion, which is why I'm  
24          extremely pleased that the Chamber, our  
25          Greater Philadelphia Chamber of Commerce,

1           9/28/17 - STATED - INTRO. OF BILLS  
2           they are having a forum on this very  
3           issue coming up shortly, so that we will  
4           use the information that is gathered from  
5           the private sector to inform our efforts  
6           here in Council, and we will be dependent  
7           on your legal expertise and prowess,  
8           Councilman O'Neill, to help us through  
9           this process, along with all of our  
10          colleagues, so that we can try to do  
11          whatever we need to do right the first  
12          time and not have to come back and fix  
13          anything.

14                        So thank you, Mr. President,  
15                        for your leeway. And again to my  
16                        colleagues, thank you for your support.

17                        COUNCIL PRESIDENT CLARKE:  
18                        Thank you, Councilwoman. And that will  
19                        be on today's Final Passage Calendar.

20                        The Chair recognizes Councilman  
21                        Domb.

22                        COUNCILMAN DOMB: Good morning,  
23                        Council President. I have one privileged  
24                        resolution co-sponsored by Councilmembers  
25                        Parker, Brown, Green, Taubenberger, Oh,

1           9/28/17 - STATED - INTRO. OF BILLS  
2           and Squilla.

3                    COUNCIL PRESIDENT CLARKE:  
4           Thank you, Councilman.

5                    CHIEF CLERK: A privileged  
6           resolution honoring and congratulating  
7           the honorees of the 2017 Stellar StartUps  
8           competition.

9                    COUNCIL PRESIDENT CLARKE: And  
10          that will be on today's Final Passage  
11          Calendar.

12                   The Chair recognizes  
13          Councilwoman Gym.

14                   COUNCILWOMAN GYM: Good  
15          morning, Council President. No bills or  
16          resolutions today.

17                   COUNCIL PRESIDENT CLARKE:  
18          Thank you, Councilwoman.

19                   The Chair recognizes Councilman  
20          Taubenberger.

21                   COUNCILMAN TAUBENBERGER: Good  
22          morning, Council President and  
23          colleagues. I have two privileged  
24          resolutions, and once the title is read,  
25          I'd like to speak on the one briefly.

1 9/28/17 - STATED - INTRO. OF BILLS

2 COUNCIL PRESIDENT CLARKE:

3 Thank you, Councilman.

4 CHIEF CLERK: A privileged

5 resolution authorizing the Committee on

6 Housing, Neighborhood Development, and

7 the Homeless to hold hearings to discuss

8 the impact of squatting in Philadelphia,

9 the victims of squatting and additional

10 measures and best practices to prevent

11 squatting.

12 COUNCIL PRESIDENT CLARKE: This

13 one?

14 COUNCILMAN TAUBENBERGER: Yes.

15 Yes. I'd like to just say --

16 COUNCIL PRESIDENT CLARKE: The

17 Chair recognizes Councilman Taubenberger.

18 COUNCILMAN TAUBENBERGER: -- a

19 word on that.

20 Owning your own home is the

21 American dream. Losing your home to

22 squatters is really an unbelievable

23 nightmare. I have witnessed three times

24 over the summer and having my office work

25 on a fourth situation, which is very,

1           9/28/17 - STATED - INTRO. OF BILLS  
2           very, very difficult. I then spoke to  
3           Councilwoman Blondell Reynolds Brown and  
4           Councilman Allan Domb and Councilman  
5           Brian O'Neill during this process, and  
6           that resulted in today's request for a  
7           hearing as a privileged resolution. And  
8           I really want to thank all my colleagues,  
9           including yourself, for co-sponsoring  
10          with me on this. I think it's very, very  
11          important that we get to the bottom of  
12          it, because the people that are  
13          squatting, for the most part, are very  
14          organized and they're using it as a bit  
15          of a crime spree, and it has added a  
16          degree of lawlessness.

17                        This also originated with State  
18          Representative John Taylor in a home only  
19          four doors from his own home as well. So  
20          it's something we as a city government  
21          need to take a very, very serious look  
22          at.

23                        Council President, thank you.

24                        And, colleagues, thank you for  
25          your co-sponsorship.

1 9/28/17 - STATED - INTRO. OF BILLS

2 COUNCIL PRESIDENT CLARKE:

3 Thank you, Councilman. That will be on  
4 today's Final Passage Calendar.

5 CHIEF CLERK: And a privileged  
6 resolution recognizing the 70th  
7 Anniversary of Temple University's Army  
8 Reserve Officer Training Corps Red  
9 Diamond Battalion and honoring its  
10 tradition of excellence in providing  
11 quality Officers to the United States  
12 Army from the City of Philadelphia.

13 COUNCIL PRESIDENT CLARKE:

14 Today's Final Passage Calendar.

15 The Chair recognizes Councilman  
16 O'Neill.

17 COUNCILMAN O'NEILL: Thank you,  
18 Mr. President. I offer one bill.

19 COUNCIL PRESIDENT CLARKE:

20 Thank you, Councilman.

21 CHIEF CLERK: An ordinance  
22 authorizing the revision of lines and  
23 grades on a portion of City Plan No. 359  
24 by relocating the southwesterly houseline  
25 and curblineline of Byberry Road, from The

1 9/28/17 - STATED - INTRO. OF BILLS

2 Roosevelt Boulevard to a point

3 northwestwardly therefrom.

4 COUNCIL PRESIDENT CLARKE:

5 Referred to committee.

6 And the Chair recognizes

7 Councilman Squilla.

8 COUNCILMAN SQUILLA: Thank you,

9 Mr. President. I offer one bill and one

10 privileged resolution.

11 COUNCIL PRESIDENT CLARKE:

12 Thank you, Councilman.

13 CHIEF CLERK: An ordinance

14 amending Section 2 of an ordinance (Bill

15 No. 130355) approved June 17, 2013,

16 entitled "An ordinance authorizing the

17 plotting upon a portion of City Plan No.

18 58 of a two feet wide area for public

19 pedestrian use extending along the

20 southerly side of Pearl Street, from

21 Tenth Street to a point approximately

22 one-hundred thirty-eight feet westwardly

23 therefrom."

24 COUNCIL PRESIDENT CLARKE:

25 Referred to committee.

1 9/28/17 - STATED - INTRO. OF BILLS

2 CHIEF CLERK: And a privileged  
3 resolution congratulating and honoring  
4 the Pennsylvania Horticultural Society  
5 and the Philadelphia Flower Show on  
6 winning the Grand Pinnacle Gold award for  
7 best overall event In The World from the  
8 International Festival and Events  
9 Association.

10 COUNCIL PRESIDENT CLARKE: This  
11 week's Calendar.

12 And the Chair recognizes  
13 Councilwoman Bass.

14 COUNCILWOMAN BASS: Thank you,  
15 Mr. President. I offer one bill.

16 COUNCIL PRESIDENT CLARKE:  
17 Thank you, Councilwoman.

18 CHIEF CLERK: An ordinance  
19 revising parking restrictions on  
20 Maplewood Avenue, between Greene Street  
21 and Wayne Avenue.

22 COUNCIL PRESIDENT CLARKE: That  
23 will be referred to the appropriate  
24 committee.

25 The Chair recognizes Councilman

1 9/28/17 - STATED - INTRO. OF BILLS

2 Oh.

3 COUNCILMAN OH: Thank you very  
4 much, Council President. I offer one  
5 bill, and may I be heard on it after the  
6 title is read?

7 COUNCIL PRESIDENT CLARKE:  
8 Certainly.

9 COUNCILMAN OH: Thank you very  
10 much.

11 COUNCIL PRESIDENT CLARKE:  
12 Thank you, Councilman.

13 CHIEF CLERK: An ordinance  
14 amending Title 10 of The Philadelphia  
15 Code, entitled "Regulation of Individual  
16 Conduct and Activity," Chapter 10-800,  
17 entitled "Safety," by adding a new  
18 Section 10-840, entitled "Squatters,"  
19 establishing and clarifying procedures to  
20 remove squatters from real property, all  
21 under certain terms and conditions.

22 COUNCIL PRESIDENT CLARKE: The  
23 Chair recognizes Councilman Oh.

24 COUNCILMAN OH: Thank you very  
25 much, Council President. Last week on

1           9/28/17 - STATED - INTRO. OF BILLS  
2           Thursday I told the story of a pastor and  
3           his wife who went on a brief vacation,  
4           came back and found that the church's  
5           home for pastors that he doesn't live in,  
6           the adjacent home for the church, was  
7           occupied by a woman. They asked her to  
8           leave. She refused to leave. They  
9           called the police. The police came, and  
10          then the police told the woman she had 48  
11          hours to leave. The pastor said, you can  
12          have 72.

13                        After 72 hours, when he came  
14          back, the locks had been changed, and he  
15          called the police again. The police  
16          came. They didn't know what to do. They  
17          weren't sure because she said she was  
18          renting through Craigslist. And so he  
19          contacted the DA's office for an informal  
20          piece of advice from the Assistant DA.  
21          The Assistant DA, according to the  
22          officer, said tell them to file in  
23          Landlord-Tenant Court, which is what he  
24          did.

25                        Two and a half months later,

1           9/28/17 - STATED - INTRO. OF BILLS  
2           without any resolution to this problem  
3           and the damage of property, I spoke on  
4           the floor and said I am seeing the  
5           District Attorney tomorrow. I did.  
6           Friday I went to see Kelley Hodge, our  
7           DA, sat down with the Deputy Chief, and  
8           we discussed this matter. And by the end  
9           of the day, the police, Northwest  
10          Detectives, came out to the home with an  
11          arrest warrant. She fled the building.  
12          The pastor and his wife are in possession  
13          of the property.

14                        In our discussion, what I  
15          learned is, there is no squatters' rights  
16          law in Philadelphia. I have heard from  
17          numerous police officers that are friends  
18          of mine, Oh, that's Philadelphia  
19          squatters' rights bill or law. And I  
20          thought there was. I talked with  
21          Councilman Derek Green last week about,  
22          hey, let's work on this ordinance. There  
23          is no ordinance. It's an urban myth.  
24          It's an urban legend. I'm not sure where  
25          it came from, but I don't think it's

1           9/28/17 - STATED - INTRO. OF BILLS  
2           evenly applied. I believe that there are  
3           situations where in the wealthier  
4           sections of Philadelphia, there is no  
5           problem. People are removed if this ever  
6           happened. But in poorer neighborhoods,  
7           when someone occupies a building, a home,  
8           there is confusion. I'm not blaming the  
9           police, because even it appears the  
10          Assistant DA who responded did not know  
11          what the answer is.

12                        So I'd like to say there's no  
13          such thing as a squatters' rights bill in  
14          Philadelphia. It's just a criminal  
15          trespass, a burglary, and the person  
16          occupying the home should be removed. If  
17          they have a lease, if they have evidence  
18          that they are properly in the building,  
19          if there is a dispute, that goes to  
20          Landlord-Tenant Court, and certainly  
21          Philadelphia is very sympathetic to  
22          tenants, but it should not shield  
23          criminals.

24                        To clarify this for the police  
25          and for our authorities, I'm introducing

1           9/28/17 - STATED - INTRO. OF BILLS  
2           a bill, a civil bill, because I think the  
3           problem in that case is really this, that  
4           when the police came out, they didn't  
5           know what to do, and so without criminal  
6           action and guidance, they could not act.  
7           They didn't know what to do. In the  
8           meantime, they didn't have any  
9           identification of this person, and now  
10          two and a half months later, they don't  
11          know who she is. And there's no  
12          incentive for this person to leave, and  
13          there's no expeditious process.

14                        So what I'm introducing, a bill  
15          that does prohibit people from scamming  
16          keys for cash from occupying real  
17          property that does not belong to them  
18          under the guise of being a tenant when in  
19          fact they are not. And what this bill  
20          provides is that the owner of record  
21          shall be presumed the actual and current  
22          owner, that the person in the building  
23          will be able to rebut that presumption  
24          with bona fide evidence, and that the  
25          penalty for improperly occupying a

1           9/28/17 - STATED - INTRO. OF BILLS  
2           building of this nature shall be a fine  
3           of not more than \$300 or imprisonment of  
4           90 days or both. That's a very typical  
5           type of civil penalty.

6                        However, once they have been  
7           notified by the police officer who is  
8           required to get their identification from  
9           a driver's license or anything like that,  
10          they have 48 hours to leave, and if they  
11          don't leave, they incur a fine of \$300  
12          for every day that they're in the  
13          building that they're not supposed to be  
14          there, and there will be an expedited  
15          civil court date, which I will work out  
16          with the court, that if there is a  
17          dispute, that we'll have a hearing within  
18          30 days.

19                       The reason I think this is so  
20          critical, Council President and  
21          colleagues, is we can imagine that if  
22          someone came to a home that was the home  
23          of, for example, a deceased aunt and  
24          found someone in the building who didn't  
25          belong there who refused to leave and the

1           9/28/17 - STATED - INTRO. OF BILLS  
2           police could not or would not remove  
3           them, that we can end up in a very deadly  
4           situation, and I think for everyone  
5           concerned, we should clarify between  
6           tenants and those who have a legal  
7           dispute from people who are simply  
8           violating the law and taking possession  
9           of property.

10                        I've heard from folks all over  
11           the City about horrendous stories and  
12           about people who occupy homes and sell  
13           drugs and they can't seem to get anyone  
14           to remove them, and I think the process  
15           has to be established by this Council  
16           body.

17                        Thank you very much.

18                        COUNCIL PRESIDENT CLARKE:

19           Thank you, Councilman.

20                        (Applause.)

21                        COUNCIL PRESIDENT CLARKE: That  
22           bill will be referred to the appropriate  
23           committee.

24                        That concludes our introduction  
25           of bills and resolutions. We have no

1 9/28/17 - STATED - BILLS ON 2ND READING  
2 committee reports today, so we will move  
3 towards the consideration of the  
4 Calendar.

5 There are no bills on the First  
6 Reading Calendar today, and the Chair  
7 recognizes Councilman Greenlee for the  
8 purpose of calling up resolutions and  
9 bills on the Final Passage Calendar  
10 today.

11 COUNCILMAN GREENLEE: Thank  
12 you, Mr. President. The following  
13 resolutions and bills are being called up  
14 from the Second Reading and Final Passage  
15 Calendar today: Nos. 170735, 170519, and  
16 161106. All other resolutions and bills  
17 are being held.

18 COUNCIL PRESIDENT CLARKE:  
19 Thank you, Councilman.

20 Before considering the bills  
21 and resolutions on the Final Passage  
22 Calendar, we will have our public comment  
23 session. It will go as follows:

24 If there is a bill or  
25 resolution that is on the Final Passage

2           Calendar today, if you have not already  
3           done so, you may sign up at the table to  
4           my left. When your name is called, you  
5           will go to the podium in the middle of  
6           the Council Chamber. There's a device on  
7           that podium. When the light turns green,  
8           it will be your time to speak. When the  
9           light turns yellow, you will have 30  
10          seconds to conclude your remarks. When  
11          the light turns red, we will ask that you  
12          please adhere to the guidelines and  
13          conclude your remarks. You will have  
14          three minutes to testify.

15                    Mr. Decker, please call the  
16                    name of the first individual testifying  
17                    today.

18                    CHIEF CLERK: Charles Gibbs and  
19                    Tianna Kalogerakis, commenting on  
20                    Councilman Johnson's Thurgood Marshall  
21                    resolution.

22                           (Witness approached podium.)

23                    COUNCIL PRESIDENT CLARKE: Good  
24                    morning.

25                    MR. GIBBS: Good morning,

1 9/28/17 - STATED - PUBLIC COMMENT

2 Mr. President, members of Council. As  
3 the President of the Barristers'  
4 Association of Philadelphia, I join my  
5 voice with Councilman Johnson and thank  
6 him for this resolution.

7 Fifty years ago, Justice  
8 Marshall was sworn into the Supreme Court  
9 of these United States. His career was  
10 admirable on the court, but what he did  
11 before he got to the court as a lawyer in  
12 Brown versus the Board of Education, as a  
13 lawyer who lost cases on purpose so that  
14 he can make laws of the land so that we  
15 all could be free and equal, and that  
16 under the eyes of the law, he is  
17 deserving of every honor that we can give  
18 him, and we will ask that all of Council  
19 support Justice Marshall's resolution  
20 sponsored by Councilman Johnson.

21 Thank you.

22 COUNCIL PRESIDENT CLARKE:

23 Thank you for your testimony, sir.

24 CHIEF CLERK: Tianna

25 Kalogerakis.

1           9/28/17 - STATED - PUBLIC COMMENT

2                   (No response.)

3           CHIEF CLERK: Reverend Luis  
4 Cortes.

5                   (Witness approached podium.)

6           REVEREND CORTES: Good morning,  
7 Honorable Council President Clarke and  
8 Honorable members of our Philadelphia  
9 City Council. Thank you for allowing me  
10 to briefly address the issue of Puerto  
11 Rico's humanitarian crisis and highlight  
12 some steps towards the relief that this  
13 body can effect, not only for the people  
14 currently suffering in Puerto Rico but  
15 also for your constituents here in our  
16 city.

17                   Close to 150,000 Puerto Ricans  
18 live in Philadelphia, representing  
19 approximately 8.5 percent of our  
20 population. Almost all have not just one  
21 but several family members in Puerto Rico  
22 as well as friends and other loved ones.  
23 There are also 250,000 Puerto Ricans  
24 spread throughout this state, primarily  
25 the cities of Reading, Allentown,

1 9/28/17 - STATED - PUBLIC COMMENT

2 Bethlehem, Lancaster, and York. As such,  
3 Puerto Rico's plight is being acutely  
4 felt in our Commonwealth and in our city.  
5 As a result of this Category 5 hurricane  
6 called Maria, Puerto Rico has suffered a  
7 complete loss of its basic  
8 infrastructure. This loss is comparable  
9 to the effects of Hurricane Katrina in  
10 New Orleans.

11 Currently, there is no  
12 electrical infrastructure left on the  
13 island, and it is expected it will take  
14 four to six months to restore it. Most  
15 of the island has no capacity for  
16 communication, either internally or  
17 externally. We are deeply concerned that  
18 seven days into this event, we still  
19 don't know if four hospitals in the  
20 western part of the island are open. We  
21 do know that four functioning hospitals  
22 are overwhelmed and are partially working  
23 due to a lack of power of the basic  
24 resources.

25 The Puerto Rican and Hispanic

1 9/28/17 - STATED - PUBLIC COMMENT

2 community elected officials of  
3 Philadelphia are of one accord, State  
4 Senator Tartaglione, State Representative  
5 Cruz and Vazquez, and Councilwoman Maria  
6 Quinones-Sanchez. We ask that our City  
7 Council add your voice to theirs and  
8 hundreds of others asking Congress to  
9 pass a supplemental appropriations bill  
10 to ensure that there will be adequate  
11 resources in the FEMA Disaster Relief  
12 Fund and the Department of Housing and  
13 Urban Development Disaster Recovery CDBG  
14 Grant. We also feel that ten days for  
15 the Jones Act is not enough and it needs  
16 to be extended.

17 We feel the tremendous urgency  
18 of this situation and the need for  
19 immediate action. More than half of our  
20 organization, Esperanza's staff and  
21 stakeholders, are Puerto Rican or married  
22 into Puerto Rican families. Most of them  
23 have still not been able to hear from  
24 their loved ones a week into this  
25 catastrophe. Economic conditions on the

1           9/28/17 - STATED - PUBLIC COMMENT

2           island are well past the breaking point.

3                       We ask that you encourage the  
4           Treasury Department to ensure there is  
5           enough cash delivered to the island to  
6           address the economic situation. We also  
7           ask that you ask the U.S. Army Corps of  
8           Engineers to take on the threat of breach  
9           in Guajataka.

10                      Finally, we can ask what can  
11           City Council and the City of Philadelphia  
12           do directly. Can we consider matching  
13           what New York City is doing, as they have  
14           pledged to send over 1,500 volunteers,  
15           starting with 100 firefighters and police  
16           rescue workers.

17                      If the American citizens in  
18           Puerto Rico are not assisted, they will  
19           need to migrate in unprecedented numbers  
20           to the mainland of the United States,  
21           Pennsylvania, and Philadelphia will need  
22           to receive hundreds, if not thousands of  
23           people, fleeing the uninhabitable  
24           conditions on our island.

25                      How do we as a city prepare? I

1 9/28/17 - STATED - PUBLIC COMMENT

2 believe our first responsibility is to  
3 repair the island of Puerto Rico quickly,  
4 and anything our city and state can do to  
5 aid in this repair should be considered  
6 an investment in our mutual prosperity.

7 Thank you, Council.

8 COUNCIL PRESIDENT CLARKE:

9 Thank you for your testimony.

10 CHIEF CLERK: Angel Ortiz.

11 (Witness approached podium.)

12 COUNCIL PRESIDENT CLARKE: Good  
13 morning, Councilman.

14 COUNCILMAN ORTIZ: Good  
15 morning. Thank you, President Clarke and  
16 members of City Council. I haven't  
17 spoken on this floor for a very long  
18 time, and I'm very angry today, because  
19 Puerto Rico is being treated with  
20 contempt by the federal government, being  
21 treated with contempt by the President of  
22 the United States.

23 People are dying in Puerto  
24 Rico. It's no longer a matter. You see  
25 it every day on CNN and MSNBC and every

1           9/28/17 - STATED - PUBLIC COMMENT

2           TV station.

3                   Ten days waiver of the Jones  
4           Act is laughingly stupid. It takes ten  
5           days from one boat to reach Puerto Rico  
6           from Jacksonville, ten days.

7                   Puerto Rico because of its  
8           colonial situation cannot get food from  
9           any other source. Food has to be  
10          delivered to Puerto Rico. Food is scarce  
11          in Puerto Rico. The whole agricultural  
12          business of Puerto Rico has been  
13          destroyed. We are a colonial property of  
14          the United States.

15                   Wall Street right now wants \$72  
16          billion to be paid, \$72 billion. There's  
17          no money for Wall Street in Puerto Rico,  
18          and Congress has to act on that. And  
19          this Council and this party and this city  
20          has to stand up behind the Puerto Rican  
21          people. And we have to say to our  
22          congressional delegation, to our people,  
23          the debt that is owed to Wall Street has  
24          to be eliminated. Aid has to be  
25          introduced immediately in the House of

1           9/28/17 - STATED - PUBLIC COMMENT

2           Representatives.

3                       Today, Wyden still has not  
4           introduced a bill for emergency aid to  
5           Puerto Rico today. Trump has not asked  
6           the House of Representatives for a  
7           certain amount of money of aid to Puerto  
8           Rico. We as a body, the representatives  
9           of the City of Philadelphia, we have to  
10          stand together behind Governor Wolf,  
11          behind the Puerto Rican community of this  
12          city, behind the community of this  
13          nation. We are five million strong in  
14          the continental United States, and what  
15          they're trying to do, I believe, is  
16          ethnic cleansing of Puerto Rico.

17                      The real estate has become very  
18          valuable. Gentrification of Puerto Rico  
19          will be taking place. People will have  
20          to evacuate the island, because there is  
21          no jobs and no future there. We need  
22          what we call a Marshall Plan for Puerto  
23          Rico, and we need the government of the  
24          United States and the Congress to be  
25          responsible for 118 years of colonialism

1 9/28/17 - STATED - PUBLIC COMMENT

2 that have perpetuated this situation.

3 We ask. We are not begging.

4 We're demanding. Puerto Ricans have died

5 in every war that United States has

6 fought in the last hundred years. Martin

7 Luther King said that there's a check

8 that is to be given to the African

9 American community. There's an uncashed

10 check to be given to the people of Puerto

11 Rico. And we have to demand it, not just

12 as Puerto Ricans from the City but as

13 citizens of the City of Philadelphia,

14 that we stand up and we say stop it,

15 Mr. Trump.

16 The ocean is big. The island

17 is surrounded by water, because that's

18 what islands are. They are surrounded by

19 water. And we speak Spanish, but we're

20 not Mexican. So don't confuse us. You

21 can't build a wall around Puerto Rico.

22 We already have an ocean. And you cannot

23 prevent us from coming in, because we are

24 citizens of the United States. We were

25 made citizens in 1917 so we could fight

1 9/28/17 - STATED - PUBLIC COMMENT

2 in your wars.

3 So now we're asking. We're not  
4 begging. We want what is given to us,  
5 what is owed to the people of Puerto  
6 Rico. We don't want evacuation and  
7 gentrification of the island. We need  
8 the people of Puerto Rico to be able to  
9 stay in Puerto Rico and build a future  
10 with Puerto Rico.

11 So I ask this Council to stand  
12 up and challenge Trump and the House and  
13 the Senate in Washington and say give to  
14 the Puerto Ricans what they're owed.

15 (Applause.)

16 COUNCIL PRESIDENT CLARKE:

17 Thank you for your testimony.

18 CHIEF CLERK: Darrell Davis.

19 (Witness approached podium.)

20 COUNCIL PRESIDENT CLARKE: Good  
21 morning.

22 MR. DAVIS: Good morning. Good  
23 morning, Council President Clarke,  
24 Councilwoman Parker, and members of City  
25 Council. My name is Darrell Davis,

1           9/28/17 - STATED - PUBLIC COMMENT  
2           Manager of Local Government and Civic  
3           Affairs at the Chamber of Commerce for  
4           Greater Philadelphia. Thank you for  
5           offering the opportunity to submit public  
6           comment today on the resolution that  
7           authorizes City Council to hold hearings  
8           regarding the Medical Marijuana Act.

9                     The Chamber's mission is to  
10           attract, retain, and grow jobs for the  
11           City and region. We follow principles of  
12           economic competitiveness to guide our  
13           public policy, and we'll work with other  
14           organizations to advance the agenda  
15           leading to economic growth and  
16           prosperity.

17                     The Medical Marijuana Act was  
18           signed into law by Governor Tom Wolf on  
19           April 17th, 2016 after approval by both  
20           the State House and State Senate. The  
21           law allows for the removal of criminal  
22           penalties for medical marijuana usage in  
23           the Commonwealth of Pennsylvania and  
24           became effective May 17th, 2016.

25                     To assist businesses and

1           9/28/17 - STATED - PUBLIC COMMENT  
2           organizations in the Greater Philadelphia  
3           region comply with the newly passed state  
4           Medical Marijuana Act, the Chamber is  
5           hosting a workshop for businesses and  
6           civic organizations on October 18th at  
7           the Chamber offices at 8:00 a.m. The  
8           workshop will educate attendees on the  
9           provisions of the Act as well as discuss  
10          how medical marijuana impacts employment  
11          law. HR professionals, counseling,  
12          employers are encouraged to attend. For  
13          additional information, please speak with  
14          myself or my colleague, Liz Ferry. We  
15          look forward to using what we learn at  
16          the October 18th event to inform our  
17          testimony for the upcoming City Council  
18          hearing on medical marijuana's impact on  
19          employers and employees in Philadelphia.

20                    Thank you for the opportunity  
21                    to submit public comment today.

22                    COUNCIL PRESIDENT CLARKE:

23                    Thank you for your testimony.

24                    CHIEF CLERK: Samira Harris.

25                    (Witness approached podium.)

1 9/28/17 - STATED - PUBLIC COMMENT

2 COUNCIL PRESIDENT CLARKE: Good  
3 morning.

4 MS. HARRIS: Good morning.

5 Good morning, Council President Clarke  
6 and members of Council. My name is  
7 Samira Harris and I'm here to comment on  
8 the resolution that Councilwoman Cherelle  
9 Parker introduced today calling for a  
10 hearing on medical marijuana's potential  
11 impact on employers and employees in  
12 Philadelphia.

13 I am a registered nurse in the  
14 Intensive Care Unit at Einstein Medical  
15 Center of Philadelphia. I'm an active  
16 member in the Einstein Nurses Union and  
17 I'm also a member of the Executive Board  
18 for the Pennsylvania Association of Staff  
19 Nurses and Allied Professionals, which is  
20 also known as PASNAP. I'm also a  
21 resident of Mount Airy and I live  
22 directly across the street from where the  
23 medical marijuana dispensary Councilwoman  
24 Parker spoke of was to be built.

25 As a medical professional, I

1           9/28/17 - STATED - PUBLIC COMMENT  
2           support the medicinal use of medical  
3           marijuana for patients in need. However,  
4           I do have some concerns about how  
5           employers may handle employees who are  
6           also medical marijuana patients. For  
7           example, PASNAP has thousands of members,  
8           and it stands to reason that some of them  
9           will be medical marijuana patients.  
10          PASNAP members also work for large  
11          hospitals that employ drug testing upon  
12          hiring and on a random basis after  
13          hiring. And of course this is with good  
14          reason. A medical professional should  
15          never be at work while under the  
16          influence of any prohibited substance.

17                        However, what about a medical  
18          professional who is also a medical  
19          marijuana patient and only uses medical  
20          marijuana during their off hours? As you  
21          may be aware, marijuana stays in one's  
22          system for up to 30 days, and drug tests  
23          don't distinguish whether you consumed  
24          marijuana during or outside of work  
25          hours. What are these employers going to

1 9/28/17 - STATED - PUBLIC COMMENT

2 do if one of their employees test  
3 positive for marijuana but said employee  
4 is a medical marijuana patient with a  
5 valid prescription?

6 It is because of unanswered  
7 questions like these that I applaud  
8 Councilwoman Parker for introducing her  
9 resolution today calling for a hearing on  
10 medical marijuana's potential impact on  
11 employers and employees in Philadelphia.  
12 I look forward to the hearing later this  
13 fall. It is imperative that we get some  
14 of these questions answered before  
15 medical marijuana becomes a reality early  
16 next year.

17 Thank you.

18 COUNCIL PRESIDENT CLARKE:

19 Thank you so much for your testimony.

20 CHIEF CLERK: Harry Barnum.

21 (No response.)

22 CHIEF CLERK: Harry Barnum.

23 (Witnesses approached podium.)

24 MR. BARNUM (through  
25 interpreter): Well, it's almost noon, so

1           9/28/17 - STATED - PUBLIC COMMENT

2           good afternoon, Councilmembers, Council  
3           President. I'm speaking on 170408, and I  
4           understand that this is a strict penalty  
5           suspending students in grades one to  
6           five, and I think those students should  
7           be disciplined in the school, supported  
8           in the school rather than being  
9           suspended.

10                        When they're suspended and sent  
11           home, they have the opportunity to get  
12           into trouble. The parents aren't there.  
13           Everything can go awry. They need to be  
14           educated. I think it's important to  
15           teach these students in grades one to  
16           five, especially students who are  
17           disabled, blind, deaf, hard of hearing.  
18           When they're punished and sent home, that  
19           is not good. They need to have skilled  
20           counselors and teachers and principals  
21           who know how to deal with these children  
22           and discipline them correctly in the  
23           school so that they can improve and  
24           encourage them to improve their lives and  
25           support them.

1           9/28/17 - STATED - PUBLIC COMMENT

2                   It's a teacher's responsibility  
3           to teach and support these students  
4           rather than to punish them and suspend  
5           them. I think the students need to be  
6           kept in the school.

7                   Thank you very much.

8                   (Applause.)

9                   CHIEF CLERK: Greg Brinkley,  
10           commenting on 170408.

11                   (Witness approached podium.)

12                   COUNCIL PRESIDENT CLARKE: Good  
13           morning.

14                   MR. BRINKLEY: Good morning,  
15           Councilman. I wasn't really planning on  
16           speaking today. This was an impromptu  
17           appearance by me, but I do support the  
18           bill by Council Lady Helen Gym on  
19           permanently -- I'm against them  
20           suspending children one through five, one  
21           through fifth grade, because of the  
22           disparities that happen in the school.  
23           This is a known fact that a lot of  
24           African American students are dealt with  
25           differently. I do support finding other

1           9/28/17 - STATED - PUBLIC COMMENT

2           ways to address their behavior.

3                         But I think consistent with  
4           this issue, I wanted to talk about an  
5           issue that's on my heart. I meant to  
6           speak two weeks ago on the issue of  
7           police brutality, and I wasn't able to  
8           make it down here, and I had prepared  
9           text. So I'd kind of like today, because  
10          I was down here to do something else, and  
11          I was directed here. I had a meeting to  
12          go to that got cancelled. So I need to  
13          say what I need to say.

14                        I've been an advocate fighting  
15          against police brutality for years. And  
16          I say, with all due respect to the  
17          African American Councilpeople in here,  
18          whether I respect you or not, this issue  
19          needs to be addressed, and I don't hear  
20          enough of that coming from the African  
21          American elected officials about what's  
22          going on with the police and the  
23          shootings.

24                        Every day I worry about my  
25          grandchildren walking out here, being

1 9/28/17 - STATED - PUBLIC COMMENT

2 shot down by some -- by some of the bad  
3 police officers. I'm not anti-law  
4 enforcement. I'm a retired corrections  
5 officer. But what I'm saying is, when I  
6 see Councilmen Henon, Squilla, and Brian  
7 O'Neill attend a rally on taxpayers' time  
8 to support the political bully John  
9 McNesby, they stood up and said what they  
10 had to say. My question to them is, did  
11 you have black constituents in your  
12 neighborhoods? So do we matter? Don't  
13 we matter? And I don't understand how  
14 could African American Councilpeople  
15 specifically -- your children are being  
16 subject to that. How do you not say  
17 anything when the majority of what goes  
18 on in the Police Department affects us?  
19 How do you not say anything about that?  
20 It doesn't make sense to me, and at some  
21 point, at some point, you've got to  
22 grow -- you've got to say something about  
23 that, because we can have an effect on  
24 that as black people, as black police  
25 officers, as black Councilpeople. We got

1           9/28/17 - STATED - PUBLIC COMMENT  
2           to start saying something about that.

3                       And I needed to say that.  
4           That's on my heart. It's not going to go  
5           away, Council President Clarke, whether  
6           you arrest people, whether you throw them  
7           out of here or not. It's not going to go  
8           away, because we're not going to let it.  
9           They're killing our children, and we need  
10          to do something about it.

11                      COUNCIL PRESIDENT CLARKE:  
12          Thank you. And we will continue the  
13          dialogue. Thank you for your testimony.

14                      CHIEF CLERK: Joe Danihel,  
15          commenting on 170641 and 170735.

16                      (Witness approached podium.)

17                      MR. DANIHEL: Okay. This is an  
18          official decree of the people in writ of  
19          mandamus quo warranto and, as such,  
20          requires immediate action and remedy.

21                      Every week this Council, Mayor,  
22          and others transfer private property to  
23          the government, probably illegally. Last  
24          week, Council noted theft of property  
25          rights is not right. It is a big, big

1 9/28/17 - STATED - PUBLIC COMMENT

2 problem, and it is a degree of  
3 lawlessness. Last week, Council noted  
4 district attorneys are violating your  
5 sworn duty, oath, and law by refusing to  
6 prosecute theft of property rights  
7 crimes. These are new cases. Council,  
8 Mayor, and others cannot take on new  
9 theft of property rights case until they  
10 resolve my repeatedly avoided theft of  
11 property rights case. This will clearly  
12 violate equal treatment causes and be  
13 cruel and unusual punishment.

14 This Council, Mayor, and others  
15 cannot discriminate and must be first  
16 come, first-served. Avoiding a known  
17 duty or task is a clear violation of your  
18 oath and law.

19 If police, firemen or veterans  
20 took decades to perform their sworn duty,  
21 there would be hell to pay. Council,  
22 Mayor, and others cannot remain above the  
23 law. Council, Mayor, and others are  
24 required to provide immediate remedy.  
25 Constitutions require immediate remedy of

1           9/28/17 - STATED - PUBLIC COMMENT

2           this breach of law, breach of close,  
3           breach of judiciary duties. Your oath of  
4           office requires you to act or face  
5           prison.

6                       42 USC 1982, 1983, 1985, 1986,  
7           1987, 18 USC 241, 242, 2381, 2384, PA  
8           Constitution, Article I, Sections 1  
9           through 11, 26 PACSA 703, 705, 708, 709,  
10          712, 713, 716, and other laws listed in  
11          SCOTUS 15-8965, 14-1330, 14-4056 appeared  
12          violated.

13                      I call for the federal and  
14          Commonwealth governments to perform their  
15          constitutional obligations to investigate  
16          and prosecute all involved in the illegal  
17          theft and deed transfer of my home, 1038  
18          West Wyoming. The denial of God-given 42  
19          USC 1982 property rights for 23 years is  
20          egregious, extraordinary, oath-violating,  
21          and requires immediate remedy.

22                      A just government must obey the  
23          rule of law. This color of law  
24          government must have its Charter to  
25          govern revoked until a constitutionally

1           9/28/17 - STATED - 2ND READING  
2           compliant government is installed.  
3           Public servants cannot refuse their sworn  
4           duty to act any more than a fireman can  
5           refuse to fight a fire.

6                     The sovereign people require  
7           Constitution and laws be enforced. Jail  
8           is required for all who violate oath or  
9           law.

10                    I remind Council, it takes a  
11           lot of cooperation to create and allow  
12           monumental corruption.

13                    COUNCIL PRESIDENT CLARKE:  
14           Thank you for your testimony.

15                    CHIEF CLERK: There are no

17                   COUNCIL PRESIDENT CLARKE: The  
18           eyes have it, and that resolution is  
19           adopted.

20                   CHIEF CLERK: And a resolution  
21           honoring and congratulating the honorees  
22           of the 2017 Stellar StartUps competition,  
23           introduced by Councilman Domb.

2           Association, introduced by Councilman  
3           Squilla.

4                   COUNCIL PRESIDENT CLARKE:   The  
5           Chair recognizes Councilman Squilla.

6                   COUNCILMAN SQUILLA:   Thank you,  
7           Mr. President.  I move for the adoption  
8           of the resolution.

9                   (Duly seconded.)

10                   COUNCIL PRESIDENT CLARKE:   It's  
11           been moved and properly seconded.

12                   All those in favor say aye.

13                   (Aye.)

14                   COUNCIL PRESIDENT CLARKE:  
15           Those opposed?

16                   (No response.)

17                   COUNCIL PRESIDENT CLARKE:   The

19           adopted.

20                   CHIEF CLERK:   There are no  
21           other resolutions on the Final Passage  
22           Calendar, Mr. President.

23                   COUNCIL PRESIDENT CLARKE:  
24           Thank you very much.

25                   Are there any speeches on

1                   9/28/17 - STATED - SPEECHES

2           behalf of the minority?

3                   The Chair recognizes Councilman

4           Oh.

5                   COUNCILMAN OH: Thank you very  
6           much, Council President. First, I would  
7           just like to thank Councilwoman Maria  
8           Quinones-Sanchez for the opportunity to  
9           participate in her resolution and all the  
10          speakers. It's a very dire situation for  
11          our fellow citizens, and I just wonder  
12          that if we were talking about New Jersey,  
13          Florida or another state of U.S. citizens  
14          how quick would our response be. And  
15          certainly I would urge everyone to  
16          support immediate financial aid, waivers  
17          of whatever obstructions there are for  
18          the people of the island of Puerto Rico.

19                   I would also like to just point  
20          out that Shane Claiborne left everyone a  
21          book, and this book is actually the 10th  
22          anniversary edition. His first book sold  
23          over 300,000 copies, raised over  
24          \$500,000, of which he keeps none of it.  
25          He distributes the money. He used it for

1                   9/28/17 - STATED - SPEECHES

2                   not only his charitable work but also  
3                   dozens of others here in Philadelphia.

4                   He lives very modestly. He's  
5                   kind of like the real deal, living the  
6                   faith and right in the community and  
7                   doing exactly what he said, helping  
8                   people and using his abilities to build a  
9                   better example of a peaceful life in one  
10                  of the toughest parts of Philadelphia.

11                  And, finally, I'd like to just  
12                  say that for anyone who is interested in  
13                  filmmaking, of which I think there are  
14                  many, one of the problems is how do you  
15                  raise money, how do you produce and  
16                  distribute your film. And I have five  
17                  experts who will talk about that tonight,  
18                  6:00 to 8:00 at Community College, 17th  
19                  and Spring Garden at the Bonnell  
20                  Building. It's free. If you would like  
21                  to know how to raise money or what you  
22                  need to do to produce or distribute your  
23                  film, I welcome you. I encourage you to  
24                  come.

25                  In my conversations with some

1                   9/28/17 - STATED - SPEECHES

2                   of these experts, I've been amazed at how  
3                   things I never thought had anything to do  
4                   with financing a film actually has a  
5                   great deal to do in the many different  
6                   ways that films can be financed. I have  
7                   spoken to some documentary filmmakers who  
8                   have done fantastic work, and then the  
9                   one part of the film was not properly  
10                  dealt with on a legal basis, they weren't  
11                  authorized, they didn't think they needed  
12                  authorization, the whole film is no good.

13                  And so I have experts who have  
14                  done major motion pictures, local  
15                  documentaries, and they're here to help  
16                  and meet anyone, with your efforts.

17                  Thank you very much.

18                  COUNCIL PRESIDENT CLARKE:

19                  Thank you, Councilman.

20                  On behalf of the majority, the  
21                  Chair recognizes Councilman Henon.

22                  COUNCILMAN HENON: Thank you,  
23                  Mr. President. I have a few things.

24                  One, I want to start off on a light note,  
25                  as you had mentioned during caucus. So

1                   9/28/17 - STATED - SPEECHES

2                   sometimes we take ourselves a little too  
3                   serious. I guess as the business that  
4                   we're in, because we're dealing with  
5                   serious things that impact people's  
6                   lives, but I want to thank all my  
7                   colleagues who participated in the talent  
8                   show last night. It was pretty awesome.  
9                   Everybody was great. It's our second  
10                  time that we've had this benefit, and  
11                  last night was to benefit the Symphony  
12                  for a Broken Orchestra. Councilmembers  
13                  Clarke, Jones, Greenlee, Bass, Gym,  
14                  Taubenberger, Green. Mike Decker, the  
15                  real fast speaker, our Clerk, was one of  
16                  the judges, Commissioner Deeley. Our own  
17                  Billy Ivers gave us a little rendition of  
18                  Frank Sinatra, Mark Siegel. My staff and  
19                  all the other staff who helped out  
20                  putting the event together, it was an  
21                  incredible evening. We all laughed,  
22                  because, you know, not all of us have  
23                  talent. So it's kind of humorous. We  
24                  raised over \$50,000 for the charity of  
25                  Symphony for a Broken Orchestra.

1                   9/28/17 - STATED - SPEECHES

2                   And I want to give special  
3                   thanks to the 2013 winner, Councilwoman  
4                   Blackwell, a/k/a Jannie from Cheyney, who  
5                   presented the Golden Unicorn Award,  
6                   which, by the way, was -- I think it was  
7                   arts and crafts. It was an arts project  
8                   for the trophy. And Councilman Squilla.  
9                   For those that were there, Councilman  
10                  Squilla.

11                  Councilman Squilla, I've got  
12                  you, babe, and thanks for blowing our  
13                  mind. And for those who want to still  
14                  donate to the cause, you can go to  
15                  symphonyforabrokenorchestra.org.

16                  Second here is, I introduced,  
17                  along with most members of City Council,  
18                  again as we have been doing since 2012,  
19                  recognizing October as Manufacturing  
20                  Month here in the City of Philadelphia,  
21                  still manufacturing, "workshop of the  
22                  world," employs over 20,000 jobs in the  
23                  City of Philadelphia. We regularly have  
24                  a hard time filling -- difficulty filling  
25                  some of those open positions. So we

1                   9/28/17 - STATED - SPEECHES

2                   constantly are working with the School  
3                   District, other non-profits, and City  
4                   agencies and elected officials to really  
5                   try to promote sustainable jobs. Usually  
6                   it's the first Friday of October. It  
7                   recognizes Manufacturing Day, and on that  
8                   day you'll be notified. I'll send  
9                   something around. All kinds of partners  
10                  with makers and creative economy,  
11                  innovative technology, and events,  
12                  manufacturing with our schools. It's  
13                  going to be an awesome day to showcase  
14                  what manufacturing means to the City of  
15                  Philadelphia and where the job  
16                  opportunities are. So it's a sector to  
17                  highlight.

18                  And with that, there couldn't  
19                  be a better time to talk about why Amazon  
20                  is so appealing in lieu of this  
21                  resolution, because we have a broad,  
22                  diverse economy. We have a stable  
23                  business environment, and we have a ready  
24                  and available workforce who wants to work  
25                  for Amazon. So I want Amazon to know

1                   9/28/17 - STATED - SPEECHES

2                   that as a city.

3                   We have a transportation  
4                   network that is second to none. Our  
5                   infrastructure includes our highways, our  
6                   airport. Our logistics economy is here.  
7                   It's built, and it's ready for growth.  
8                   And it's actually exciting to talk about  
9                   some potential business growth here in  
10                  our city, especially to that magnitude.

11                  So I don't know what happens  
12                  with Amazon. I hope that we are able to  
13                  attract them on what the City has to  
14                  offer, because I think we do have exactly  
15                  what they're looking for. And change is  
16                  accepted by the City of Philadelphia and  
17                  affordability is here in all kinds of  
18                  levels, multitude of levels.

19                  So that's my Amazon pitch tying  
20                  in with manufacturing, because we are a  
21                  city that welcomes this kind of  
22                  opportunity.

23                  So thank you.

24                  COUNCIL PRESIDENT CLARKE:

25                  Thank you, Councilman.

1                   9/28/17 - STATED - SPEECHES

2                   The Chair recognizes  
3 Councilwoman Reynolds Brown.

4                   COUNCILWOMAN BROWN: Thank you,  
5 Mr. President. Three points I'd like to  
6 make. First, I want to underscore  
7 remarks by Councilman Oh and salute and  
8 applaud and lift up Councilwoman Sanchez,  
9 because it's been her teaching and  
10 because of her exposing and deepening my  
11 understanding of her culture that has  
12 really sensitized me to the horror of  
13 pictures that we're watching on a daily  
14 basis on CNN and MSNBC. So applauding  
15 her leadership on this is certainly in  
16 order.

17                   Secondly, we live in a time now  
18 where statues, monuments, and landmarks  
19 are driving dialogue on race and  
20 representation around the country, and  
21 this week Philadelphia joined that  
22 dialogue, gaining national recognition in  
23 a wonderful way. We know that Mayor  
24 Kenney has been on this journey for  
25 almost 14 years, and I wanted to

1                   9/28/17 - STATED - SPEECHES

2           personally commend the Mayor for  
3           completing this journey and advocating  
4           forever, as long as I've known him, for  
5           the recognition of the Octavius Catto  
6           statue that is now real.

7                   The little known black history  
8           fact is that Mr. Catto was a legendary  
9           American figure whose young life and  
10          contributions were cut short at the  
11          tender age of 32 on Election Day during  
12          Election Day violence. The unveiling of  
13          the statue certainly demonstrates at a  
14          very, very needed time that art and  
15          culture does bring people together.

16                   And so I applaud Mayor Kenney  
17          for understanding that art has the  
18          ability to touch our lives, ignite our  
19          spirits, and influence the challenges our  
20          societies face every day, that statue,  
21          the unveiling of that statue this week,  
22          and when you look down at the crowd, the  
23          diversity of cultures and races and  
24          people reminded me that art has value.

25                   In that spirit, I want to

1                   9/28/17 - STATED - SPEECHES

2           remind my colleagues that the Greater  
3           Philadelphia Cultural Alliance once again  
4           will be updating us and our staffs  
5           immediately following City Council, where  
6           annually they share with us the most  
7           recent data and the economic benefits  
8           around arts and culture. For those of us  
9           who follow this and the hospitality  
10          industry, we know but for the arts and  
11          culture community, the hospitality  
12          industry in this town would not be what  
13          it is.

14                   And then, lastly, I do not want  
15          it to go unrecognized, Councilman Green's  
16          resolution where he is deepening the  
17          conversation and discussion around  
18          diversity and minority participation on  
19          boards. All the research points to the  
20          fact that where you have diverse boards,  
21          you actually have better outcomes. And  
22          so his work and resolution to now look at  
23          non-profit boards, particularly those  
24          associated with the City, will further  
25          advance why we need to do better when it

1                   9/28/17 - STATED - SPEECHES

2                   comes to women and people of color on  
3                   boards.

4                   Thank you, Mr. President.

5                   COUNCIL PRESIDENT CLARKE:

6                   Thank you, Councilwoman.

7                   The Chair recognizes

8                   Councilwoman Gym.

9                   COUNCILWOMAN GYM: Thank you

10                  very much, Council President. I also

11                  want to thank Councilwoman

12                  Quinones-Sanchez for joining the growing

13                  call for justice for Puerto Rico, which

14                  was impacted not only by Hurricane Maria

15                  but also by the effort to really exploit

16                  Puerto Rico, particularly around

17                  corporate debt and other types of abuses

18                  that have wreaked terrible tragedy on the

19                  people and property there.

20                  So earlier today the

21                  Pennsylvania Supreme Court made a

22                  landmark ruling on the Pennsylvania

23                  school funding case that was heard in

24                  arguments a year ago. They ruled in our

25                  favor, which is that the court absolutely

1                   9/28/17 - STATED - SPEECHES

2           does have jurisdiction over the rights --  
3           over whether the Pennsylvania Legislature  
4           is meeting its constitutional  
5           requirements for equal protection under  
6           the law and for fair and equitable school  
7           funding across districts.

8                   Historically, for the last two  
9           decades or more, the Pennsylvania Supreme  
10          Court has deferred to the Pennsylvania  
11          Legislature on this effort, but this  
12          morning the court said very clearly and  
13          unequivocally that the Pennsylvania  
14          Legislature does not have the right to  
15          self-police itself on its own  
16          constitutional mandate. And there is  
17          ample evidence that the Pennsylvania  
18          State Legislature, when it comes to  
19          school funding, has failed its  
20          constitutional mandate to provide a  
21          thorough and efficient form of education  
22          for every child in the Commonwealth.

23                   I was proud before coming into  
24          City Council to be one of the supporters  
25          of this lawsuit. There are many others

1                   9/28/17 - STATED - SPEECHES

2                   who are going to be active on it. What  
3                   it means next is that we get a trial. We  
4                   get a trial to talk about whether school  
5                   funding is fair and equal, whether it's  
6                   fair for children in Reading to be given  
7                   \$6,200 per instructional expenses while  
8                   students in Lower Merion can get three  
9                   times more, whether we get half of what  
10                  Lower Merion may get on an absolute  
11                  school funding distribution level. All  
12                  of those questions now get to go to  
13                  trial, and we will have a robust trial in  
14                  which all of these things will be brought  
15                  to the forefront.

16                  But I want to thank City  
17                  Council in particular for always being on  
18                  the right side of this issue, for  
19                  stepping up when it was required, for  
20                  holding the state accountable in this  
21                  important time, and that we have more  
22                  leverage than ever to tell Harrisburg,  
23                  which has not yet passed a viable revenue  
24                  budget, that they need to prioritize  
25                  school funding. The best way to solve

1                   9/28/17 - STATED - SPEECHES

2                   this is to fix it, not to avoid it, not  
3                   to defer it, not to go through court  
4                   hearings over and over and over again,  
5                   but to fix it.

6                   But I feel that this ruling by  
7                   the Pennsylvania Supreme Court sets  
8                   Pennsylvania finally on a fairer path,  
9                   and I'm glad that we'll be right there  
10                  with them.

11                  Thank you.

12                  COUNCIL PRESIDENT CLARKE:

13                  Thank you, Councilwoman.

14                  The Chair recognizes Councilman  
15                  Jones.

16                  COUNCILMAN JONES: Thank you,  
17                  Mr. President. I too lend my voice to  
18                  justice for Puerto Rico. When you think  
19                  about the political struggle that they've  
20                  had over the decades whether to be a  
21                  Commonwealth, whether to it be an  
22                  independent state or a 51st state within  
23                  the structure of the United States, these  
24                  are constant debates that they've had.  
25                  But I have to believe the actions or

1                   9/28/17 - STATED - SPEECHES

2                   inactions coming from Washington will  
3                   help shape that political opinion.

4                   As former Councilman Ortiz  
5                   mentioned, Puerto Ricans have shed blood  
6                   throughout the history of this country to  
7                   establish this nation, and for me it's  
8                   real clear that they should be treated  
9                   like any other state, whether it's  
10                  Florida, whether it's Houston or Puerto  
11                  Rico. To me it doesn't matter how you  
12                  voted. Whether you are a democrat or a  
13                  republican-influenced state, we are  
14                  talking about human lives. We're talking  
15                  about not your investments and insurance  
16                  claims. We're talking about whether  
17                  people have the basic necessities, food,  
18                  water, and shelter, not to mention  
19                  luxuries like electricity.

20                  So if we are able to do a  
21                  Marshall Plan for Germany who we fought,  
22                  then we should be able to do a Marshall  
23                  Plan for an island who lent in our  
24                  defense. And it's just simple as that,  
25                  and we need to roll up our sleeves and

1                   9/28/17 - STATED - SPEECHES

2                   support justice for Puerto Rico.

3                   I have two quick announcements  
4                   too. Tuesday on the MED Week workshops,  
5                   we will be doing a workshop at Pipeline,  
6                   30 South 15th Street on Rebuild, and the  
7                   focus of that will be We Will Work, and  
8                   it's very appropriate and very  
9                   appropriate from my colleagues, and I  
10                  join that chorus to make sure that things  
11                  are heard.

12                  And then, finally, on a lighter  
13                  note, we're going to continue our jazz  
14                  series. And I want to say for the record  
15                  I got the idea of jazz in the park from  
16                  Councilwoman Bass, so that we're clear  
17                  where I got it from, and we hope to  
18                  continue that up at Nichols Park tomorrow  
19                  from 11:30 to 2:00. For seniors there  
20                  will be a free lunch. And there's no  
21                  such thing as a free lunch, but there  
22                  will be tomorrow.

23                  Thank you, Mr. President.

24                  COUNCIL PRESIDENT CLARKE:

25                  Thank you, Councilman.

1                   9/28/17 - STATED - SPEECHES

2                   The Chair recognizes Councilman  
3                   Domb.

4                   COUNCILMAN DOMB: Thank you,  
5                   Council President. I agree with the  
6                   comments of my colleagues earlier, but I  
7                   wanted to bring three issues that are  
8                   constantly on my mind to the focus,  
9                   because we can't lose track. And one to  
10                  pensions, two is reserve fund, and three  
11                  is the school situation, which is going  
12                  to cost a billion dollars the next four  
13                  years.

14                  And on the pension fund, we're  
15                  working on a plan, but we're still 6  
16                  billion underfunded. We're at 45  
17                  percent. We can't lose sight of that.  
18                  That's a big issue.

19                  Reserve fund projection in the  
20                  Five Year Plan I think in 2019 or 2020 is  
21                  going below one percent to 0.6, which is  
22                  dangerously low, which could create us to  
23                  slip in our bond ratings. We need to  
24                  address that issue. And the school issue  
25                  which is out there, hanging out there, a

1                   9/28/17 - STATED - SPEECHES

2           billion dollars.

3                   So I'm bringing these issues up  
4           because I think we need to work together,  
5           the Administration, Council, everyone in  
6           government, to figure out how to solve  
7           these three big problems, but we need  
8           long-term solutions to get this done. We  
9           just can't wait. We got to do it now,  
10          and we can't do this by just continually  
11          raising taxes. We need to do this by  
12          looking at efficiencies in government and  
13          figuring out how to save money in all  
14          areas.

15                   So thank you, Council  
16          President.

17                   COUNCIL PRESIDENT CLARKE:

18          Thank you, Councilman.

19                   The Chair recognizes  
20          Councilwoman Blackwell.

21                   COUNCILWOMAN BLACKWELL: Thank  
22          you, Mr. President. I wanted to  
23          associate myself with all the comments  
24          made by my colleagues today. One of  
25          Lucien Blackwell's heroes was Octavius V.

1           9/28/17 - STATED - ADJOURNMENT

2           Catto. We called him Catto in those days  
3           as well. He and DuBois were his  
4           favorites.

5                     And I also wanted to say a  
6           special thank you to our colleague Maria  
7           Quinones-Sanchez and what she's done for  
8           Puerto Rico, people, and all the people  
9           there, and what a wonderful job she does  
10          when it comes to the parade and all the  
11          people. I mean, it's just fabulous. So  
12          we commend her for all that she does and  
13          say a special thank you.

14                    COUNCIL PRESIDENT CLARKE:  
15          Thank you. Thank you, Councilwoman.

16                    And with that, the Chair  
17          recognizes Councilwoman Reynolds Brown  
18          for a motion to adjourn.

19                    COUNCILWOMAN BROWN: Yes,  
20          Mr. President. I move that Council stand  
21          adjourned until Thursday, October 5th at  
22          10:00 a.m.

23                    (Duly seconded.)

24                    COUNCIL PRESIDENT CLARKE:  
25          Thank you. It has been moved and

8           Those opposed?

9                     (No response.)

10                    COUNCIL PRESIDENT CLARKE: The  
11           ayes have it.

12                    Thank you all very much.
